PROLOGUE

As a stray sunbeam oft breaks through a gathering sky and warms the earth below, so may the memories of this book break through our thoughtful meditations and the darker moments of years to come and warm our hearts within.

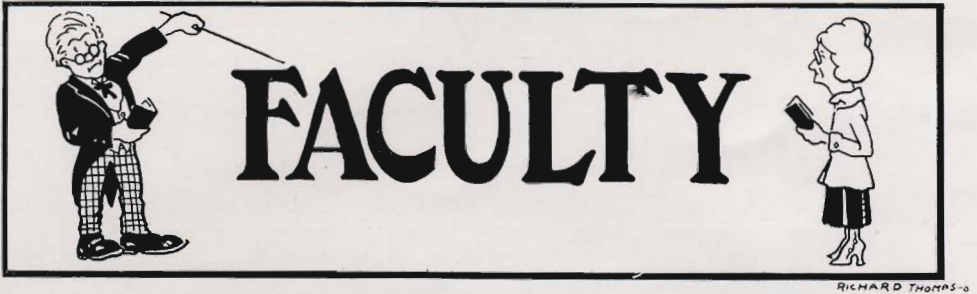

Dedication

TO MISS M. ALOYS DALY,
who has ever been a devoted
teacher, a ready and self-sac-
rificing assistant in all school
affairs, and a quiet and posi-
tive influence for the best in

book. ❧ ❧ ❧ ❧ ❧
