Ruth Ferguson—Oh, doctor, what do you recommend for a tired, fagged-out brain?

Doctor—Well, fish is a great brain food.

Ruth—What kind of fish?

Doctor—Why, for you, a couple of whales might be about right to start with.

The Calf (referring to a pump)—What's that, mother?

The Cow—That, my dear, is a pump. It has been collaborating with me for years.
