I WANT TO GROW SO BIG

I want to be tall,
So I can reach high
In the heavens and touch
The glimmering stars.
I want to be broad
So I can gather
All things good and fair
Found on this wide earth.
I want to have ears
That hear the comets
Whizzing through the skies;
I want to hear the
Thousand tiny things
That only few can hear.
I want to have eyes
That see the visions
Beyond the mystic mountains
That all men strive to see.
I want to grow so big
That I may be a step
For weak man's faltering way.
