(1) A dirty story. (2) Out of "Sing Sing?" no—Stockton High. (3) Like father like son—Pals. (4) Andrews, you simply must stop running from those boys. (5) These Journalists at Stanford—don't they look intelligent? (6) Moore with more trophies—what a star. (7) G. Science has its attractions too. (8) What's this Moore—Adams working behind your back or is it Stegalls? (9) Why the face, Grischott? (10) Since when does one eat mud? He bit the dust. (11) The cleaner-uppers (12) Don't look now, but your being followed. (13) Dear, deer. (14) Just look at that form or is it physique? (15) Putting away for safe keeping. (16) The musical musicians—teachers. (17) What are you doing, Gennie, won't George except? (18) My! My! How do you do it? (19) Take your choice, Stegall or the drum-stick. (20) Look what Santa brought us. (21) Ah! such is life, the morning after the night before. (22) When do we eat? (23) Surprise! Capps taking a bath.
