YOUTH CENTER

First of its kind in Stockton, the Youth Center opened last March to all students between the ages of thirteen and nineteen, men in uniform excluded. Located on 320 E. Channel, the Center has become one of the favorite spots of entertainment after school and also in the evening. On school nights it is open from 3:30 to 9:30, from 3:30 to 11:00 on Saturdays, and 3:00 to 6:00 Sundays.

Membership cards cost \$.25 for three months and entitle the holder of the card to participate in any of the following activities: ping pong, pool, games, and dancing. Soft drink stands are also provided for the convenience of everyone. Interior decorations consist of a knotty pine finish, yellow trimming, wall murals, with furniture and furnishings acquired by contributions and donations from several clubs and stores in town. Much of the work done in renovating the floor was done by students working voluntarily. In the latter part of April members of the Tri-Y Club took turns in going down to the Youth Center and working on improvements in the rest rooms, while the proceeds of the raffle sponsored by the Chinese Club were donated as part of their contribution. The latest improvement of the Center is the P. A. system added in April. Giving up time to act as hosts were Mr. W. Young, Mr. Kerr, and Mr. R. Britton.

CADETS ON BIVOUCAC

Something new was inaugurated this year at Stockton High School when the Cadet Corps was formed under the supervision of Coach H. E. Evans, Captain in the National Guard. The Corps was organized with the idea of teaching the boys fundamentals of drilling, target practice, and map reading as preparation for regular army training.

The main event in the calendar of the Cadets' year was the three day bivouac held at the Lange Ranch eight miles out of town at which actual battle conditions were simulated. The Corps was organized according to regulation army form, with medical officer, signal officer, quartermaster, and engineer officer. Sleeping in tents, standing guard duty, and doing K.P. were part of the program. At the end of the bivouac, the Corps was inspected by a group of Army officers, who accorded high praise to the Corps, and to its commander, Cadet Captain, since promoted to Major, Leroy Batchelor. Other commissioned officers were Fernando Miramontes, Lee Atwater, Andrew Nielson, Lawrence Brown, George Thibedeau, James McBrian, Alfred Sanderson, and Darrell Nall.

"Pop" Heisinger and his band deserve a considerable amount of credit this year, not only for playing in numerous school activities but also for being such swell sports at all times. At each football game, rain or shine, the band was always there to play before and during halves. Through the efforts of each member, the entire band was able to perform at the game in Lodi.

Next came the season for basketball games, school rallies also, and again the band furnished music for both. It was during this time that arrangements were made to start a small band, and 30 members from the entire band section were chosen. Because of Mr. Heisinger's persistence, the "little band" was organized and, before long, played its first performance at the USO. Very shortly this small group was asked to play out, once at Pollocks during a ship launching, and once at the Motor Base Depot for a bond rally.

Certainly the highlight of the season for the band was the Music Concert of May 12, acclaimed as one of the finest ever presented by the S.H.S. music organizations. The band will also play at the June graduation exercises.

Fourth Row—Frank Baldwin, Maurice Duggan, Douglas Craig, Bob Hunefeld.

Smaller this year than usual, the orchestra has nevertheless maintained its usual vigorous schedule. Their first engagement was played at the USO less than a month after the beginning of school, after that settling down to hard work.

Troubadours also deserve a great deal of credit for their share in in-and-out of school performances. Main events for the current year were the Christmas carols sung for the Lions and Rotary Club, the Easter Sunrise Service held at Stockton Field, and also the program for men in Hammond Hospital, not mentioning various other performances.

ORGANI

TRI-Y

Seated left to right—Barbara McGregor, sgt.-at-arms; Ruth Ziegler, sec.; Norma Jane Foster, pres.; and Nat Nowell, treas. Tri-Y has become one of the most active clubs in school, starting its busy season with a dinner dance at the Country Club for the February graduates, followed by "Spring Fever," a sport dance held at the Pythian Castle. In the latter part of February the Tri-Y and Hi-Y held a joint convention at COP with other groups from Modesto and Linden.

CHINESE

With an active membership list of over fifty, the Chinese Club, under the sponsorship of Miss Geoghan, again began a year of activity. First on their list was the barn dance given soon after school began. A banquet for SHS and Weber outgoing seniors concluded the short fall semester. Early in spring a raffle drawing was held, and the money was donated to the Youth Center. A club social and senior feast climaxed their affairs of the season.

SOCIAL SERVICE

Representing students interested in charity work, the Social Service Club members contribute much to the welfare of those not so fortunate. Last fall they helped in the Infantile Paralysis drive, worked on making joke-books and scrapbooks for Red Cross and men in Hammond Hospital, and, late in May the girls had a silver tea for teachers in order to better acquaint them with the girls. Officers are Claire Rosenberg, Miriam Petrequin, and Norma Jane Foster.

JR. MUSIC

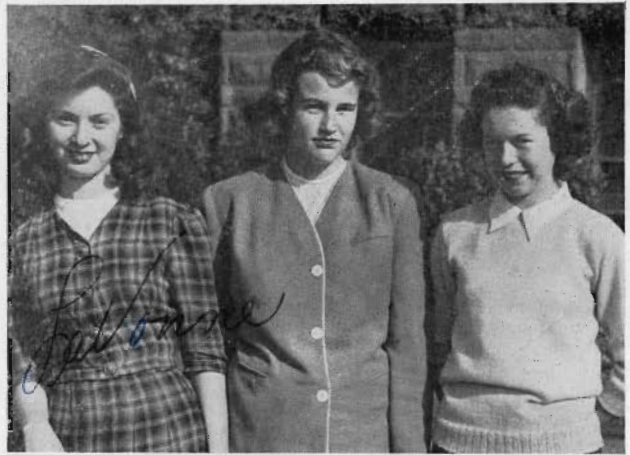

Standing, left to right—Caryl Mae Bacon, program chairman; Frances Mack, sec.; Elaine Stoloff, vice-pres.; and Stanley Bacon, pres. This club was organized for the purpose of furthering the knowledge and interest of its members in music. A comical presentation of "The Barber of Seville" was presented last fall, and since then, some form of musical entertainment has been provided at each of the meetings. The club's adviser is Miss Frances Hogan.

ZATIONS

GIRLS' LEAGUE

After school work and the late opening of school have been reasons why this year's activities have been curtailed to the minimum of activity. The program last fall, which consisted of entertainment from four Spars, was arranged by President Claire Rosenberg. The Junior Jinx given in the spring was one of the highlights of the year. The spring officers were: La Vonne Johnson, pres.; Beverly Pate, vice-pres.; and Miriam Petrequin, sec.

ROUND TABLE

Although handicapped by the late opening of school, the Round Table Club soon adjusted itself and succeeded in scheduling for its members speakers with topics of variety. Meetings were held in the evening once every two weeks, with members of the executive committee presiding in turn. During the spring quarter, a group picture was taken at the expense of the Senior Knights of the Round Table, who are affiliated with this club.

HI-Y

Pursuing their purpose of extending high standards of Christian character throughout the school and community, the Stockton High School Hi-Y has had a very active year. In cooperation with the Tri-Y girls, the Hi-Y's held a pot-luck dinner and program once a month at the Y.M.C.A. Other activities were the two Aloha banquets held by and for the boys at the Y. Officers were Urban Ernst, Ramblers; Louis Francois, Trojans; Tom Jones, Quad C.

BLOCK "S"

Left to right—Rex Young, secretary-treasurer; Tiny Campora, sergeant-at-arms; Jack Ferrill, president. This spring's initiation was "one of the best," according to the president. This club, to which only boys outstanding in athletics can belong, hasn't had its usual round of activity, but what it lacked in quantity was made up in quality. The main event of the season was the dance given May 12. Gordon Ingram, now in the service, was vice-president.
