# F a l l

Truly a class worth remembering for the activities they had and for the able leadership was the class of February, 1945. The many parties and activities during the four years, and then the memorable ones during the last few weeks will always make this class one to be remembered.

Chairman of the Senior Prom, Phyllis Peri, and also President of the 12A class; Don Jackson, popular student body president and track man; Jack Carr, veteran basketball man; Maurene Foster and Dave Dunlap, commencement speakers; Jack Ferrill, the swell all-round guy who was everyone's friend; Bill Gumpert, the golfer; Hillard Corren, the person with the wonderful singing voice; Dorothy Gross, President of Tri-Avante; George Malloy, Student Body President and Football player; Frances Hammill, active on numerous committees; Pete Chalmers, basketball veteran; Arnold Schamber, Football man; Alberta Vassar, Secretary of the 12A class and majorette for the band; Corrine Garibaldi, Vice President of the Student Body; Louis Lechich, Varsity basketball player; Andrew Nielsen, Major in the High School Cadet Corps; Rex Young, Veteran Swimmer for the Stockton Tarzan's; Loren Sutherland, Varsity Football player; and Pat Vickrey, publications. Loren and Pat were both here for just a short time, but in that time made many friends and both of them were well liked by all. Of course, not all of the outstanding seniors could be mentioned, but there are many others who have done outstanding work and who deserve to be mentioned. Many of the students have worked hard, not only in their school work but extra-curricular activities.

Class activities included the annual Senior Prom, Class Day, Senior Dinner, and laying of the plaque with the names of the graduating class and list of all the activities during their four years.

Many of the boys are in the Navy, Marines, or Army and some of the girls, too, are working in defense plants or are trying to finish their education. These were unusual times for the class—trying to concentrate upon their school work when their country was needing young men and women to help it win the war and a lasting peace. Wherever they go our luck goes with them, as they were a fine group of students and they all will bring honor to the "ole Alma Mater."

Don Jackson	Phyllis Peri
Jack Ferrill	Maurene Foster
Dave Dunlap	Dorothy Gross
George Malloy	Frances Hammill

CLASS OFFICERS—Carolyn Lenz, Florence Totten, Dorothy Knox  
 OUTSTANDING SENIORS—Pat Adams, Joann Elliott, Joyce Livingston, Helen Lapcik, Jim Ohm, Leland Lutz, Irwyn Rammer, Jim Yost.

## Spring

Spring fever had attacked most of the graduating class of June, 1945, and most of them were looking forward to the activities of the last few weeks. Thoughts of swimming parties, weinnie-roasts, dances and other parties were in the air. Trying to decide upon senior garb and what to wear for Senior Class Day were other subjects that appeared to be more important than that physics 'quiz' or the Spanish assignment. It was just not the right time to be thinking of school work.

Class President, Dorothy Knox, and her other officers, Carolyn Lenz and Florence Totten, had

many activities planned for the last semester. The Prom, Senior Day, Class Day, Senior Play, and other activities were in the making.

Taking the lead in leadership were: Jim Ohm, Irwyn Rammer, Helen Lapcik, Pat Adams, Jim Yost, Leland Lutz, Joyce Livingston, Joann Elliott, Milford Piel, Rich Bramwell, Jerry Haines, Bill Isaacson, Bud Klein, Virginia Spino, Bob Destarac, Paul Etcheberry, Marian Jacobs, Marie Longacre, Jo Anne McEwen, Marge Simpson, Otto Horst, George Sinnock, Barbara Bayne, Barbara Adams, Bob Chapman, Willis Fannon, Elizabeth Renard, and Bob Steel.
