An annual affair, the Christmas Program was a gala event which featured the orchestra, the Troubadours, and both boys' and girls' choral groups. Scenery done by the Art Department was fitting to the theme, and a costumed narrator provided the nativity story.

This is a group of students representing the mixed chorus class under the direction of Frank Thornton Smith at the annual Christmas Program. Also included in the program were the Troubadours, the Girls' Glee Club, the Orchestra, and the Band.

Guard & Tackle

Would you like to come into the "Gat" office and see what takes place each week, in order that you may receive your paper every Friday? We find the staff members making a last minute rush to beat copy deadlines, the business manager straightening out the ads, and the photographer dashing around, in an attempt to find what pictures are to be taken for this week's edition. With all this, the staff still puts out special papers for the Freedom Train, April Fool's Day, and Christmas.

The staff members fulfilled their duties of writing copy, dummyming sections, and scheduling pictures with great care, and our thanks go not only to them, but to the very able photographer who spent much time outside of school taking the pictures.
