

YOU teach your children to deposit their money.

FATHERS AND MOTHERS:

Have your children Bank Accounts? If not we invite you to come in and open one for each of them in our Bank. In this way you will teach them how to keep their money, and they will learn how fast it adds up, even if the amounts are not large.

The education they will get in money and finance will be of untold value to them in the future.

Come in today.

We welcome children's accounts.
