

YOU teach your children to deposit their money.

FATHERS AND MOTHERS:

Have your children Bank Accounts? If not we invite you to come in and open one for each of them in our Bank. In this way you will teach them how to keep their money, and they will learn how fast it adds up, even if the amounts are not large.

The education they will get in money and finance will be of untold value to them in the future.

Come in today.

We welcome children's accounts.

FLORSHEIM SHOES

Afford Style that is
Pleasingly Correct

These shoes are well known, not because of the good things said about them, but because we put into them the style that young men want and the quality that they expect, at a price that is low for the value received.

FAMOUS YELLS

BATTER UP!!

Bill steps to bat—last half of ninth—two outs—0 to 0. He hits it. Bill is off like a flash—passes first—second—third—slides in safe, a homer!

Bill's father (after the game, with the light of pride shining in his eyes): "A great hit son, a great hit. And say, whenever you're ready, you get that new Kuppenheimer suit you've been wanting. You've earned it!"

SWEET'S SANTA ROSA BUSINESS COLLEGE

"IS A GOOD SCHOOL"

OUR STUDENTS say we have a "Good School."

BUSINESS MEN who employ our graduates say we have a "Good School."

WE KNOW that we have a "Good School" for we have visited hundreds of other business colleges and know from observation.

OUR FACULTY consists of capable teachers, especially trained by our own methods in our own "Good School."

WE KEEP in close touch with the progress of modern business methods, and our graduates are well trained and efficient.

WE SURROUND our boys and girls with the best possible environments for steady, effective work.

OUR GRADUATES being capable and industrious, are given our best assistance in placing them in permanent and lucrative positions.

THE REASON we have so many calls for office help is because our graduates are competent and "make good." This is proven by a record of over thirty-four years.

FALL TERM opens Monday, August 31st. For full information address

Far Darter Readers, we greet you,
Here, where by proxy, we meet you,
We'd have you to know
Our best wishes go
Straight to these writers who treat you.
Efforts so bright quite delight us,
Jury or judge might indict us
For rhymes such as these,
But still, if you please,
We'll join you when you invite us.
