More and more, business men are finding that it pays in good will to place and receive their telephone calls with as little time-lag for the other fellow as possible. They place their own calls or stay close to the telephone when they tell someone else to do it.

Always KEEP RECEIVER ON THE HOOK

When you are through talking on the telephone, always see that you place the receiver back on the hook. Otherwise you may miss an important call.

A store may not immediately come to the mind of a prospect when special services are desired, such as are offered by a Beauty Salon, Radio or Watch Repairing Department: Many establishments, realizing this, advertise under several classifications in the Classified Directory. Thus they direct more business their way.

Keep COOL as the ESKIMOS with 

VALLEY REFRIGERATION AND AIR CONDITIONING CO.

For personal comfort, for happier working conditions that lift your morale, a YORKAIRE room conditioner is ideal. For a few pennies a day you can have **COOL COMFORT** during the entire summer season. Call our factory trained engineer to survey, and recommend equipment for your requirements. Service gladly given without obligation.

Telephone men in all parts of the Bell System have had long experience in working together. Tools, equipment, methods of tackling the job and the "language of the business" are the same north or south, east or west. This nationwide unity of method and spirit means a telephone service of the utmost dependability.

A store may not immediately come to the mind of a prospect when special services are desired, such as are offered by a Beauty Salon, Radio or Watch Repairing Department. Many establishments, realizing this, advertise under several classifications in the Classified Directory. Thus they direct more business their way.
