Junior Class

HAVING PASSED successfully through two years of school life at San Juan, the Junior Class looked forward to, with confidence, and now reflects upon, with joy, an extremely satisfactory and busy year.

As Juniors, we have worked together for the accomplishment of many things. Some of the most outstanding C.S.F. members are members of the Junior Class, thus giving our class prestige in scholarship. A great many members of both

boys' and girls' athletic teams, and Block S.J. Societies are Juniors. Thus you see, the Junior Class is well represented in all the various activities.

Then, too, the Junior Class presented and carried out a very unique prom theme, that of a prison, at the enthusiastically received annual Junior Prom. With the cooperation of everyone, we were also able to have an interclass basketball game to which the Senior Class was cordially invited.

The Junior Play, "The Ghost Flies South", was one of the most hilarious, fast moving plays to be seen at San Juan.

To fittingly close a memorable year, the Junior-Senior Banquet, honoring the 1940 graduating class, was beautifully carried out under the theme, "A Garden of Memories".

Sophomore Class

SOPHOMORE CLASS OFFICERS

Standing, Left to Right: La Salle Campoy, Vice-President; Mr. Clover, Adviser; Nick Champlin, President; Betty Jansen, Secretary-Treasurer.

AFTER A colorful and interesting Freshman year, we looked forward to our life as Sophomores with high hopes and excitement.

To start the year off with victory, the Sophomore Class won the traditional Freshman-Sophomore Scamper. This victory presaged a most successful and active year. To further our fame, we gave a record breaking Sophomore Hop. The theme was taken from a very popular song of the time, "Over the Rainbow". Following thru,

we have won many honors both in the scholastic field as well as in sports events. In the Honor Scholarship Society, we are well represented by four of our outstanding students.

We are looking forward with anticipation and eagerness to the satisfaction of becoming upper classmen and carrying on the honors which were ours in our Sophomore year.

Freshman Class

*Listen my children, and you shall hear,
Of the Freshman Class, not Paul Revere;
'Twas a very hot day in '39
When we entered San Juan, all bright and ashine.*

INDEED, WE were bright and shiny, for those fierce Juniors and Seniors demonstrated all the various brands and shades of lipstick on us. For three whole days we went about, feeling young, sticky, and very foolish. During our first class meeting, we were told by our advisers, that our behavior really became our fine new building, and also that we put up a grand fight at the Freshman-Sophomore Scamper. (The customary compliment from teachers to "Freshies" who are always beaten.)

After the Freshman Reception, which was greatly enlivened by Mr. Hogin's band of budding Sousas, we settled down to the tremendous job of becoming a worthy addition to San Juan High.

The motto which we have followed all thru this school year is: "We the Freshmen Class of 1939 endeavor to leave behind us our fresh, vernal aspect, and with all due respect to our predecessors (the Sophomores), to become the shining example of all succeeding Freshmen classes, do vow to uphold school traditions, obey school rules, love, honor, and respect school teachers, and not to flunk every semester, so that in June, 1940, we can bow and smile, and strut out of the building, no longer shrinking Freshmen, but swaggering Sophomores."

FRESHMAN OFFICERS

Left to Right: Miss Porter, Adviser; Mary Jo Skidmore, President; Lorene Andrews, Secretary-Treasurer; Lloyd Cochran, Officer; Earl Hockett, Vice-President.

Student Government

THE STUDENT government of San Juan High School is of the students, by the students and for the students. The Student Council is composed of student body officers, class presidents, and a representative of both the Girls' and Boys' Leagues.

This year's council has the honor of being the first to serve in our new buildings as well as under a new constitution, and has set a good example by its many achievements. First, never before has any student council sold as great a number of student body cards as in this last year, which is an accomplishment in itself. Second, to complete our new gym, arrangements were made for modern folding bleachers. Third, it was through the council that the new red blankets for the basketball team were bought. Then came the task of balancing a budget and presenting it to the student body to vote on. Many of the activities, programs, and student body meetings were sponsored by this group.

This year's council is looking forward with confidence to next year, knowing that their successors will carry on the same cooperative work for the 1941 Student Body.
