## F. F. A.

The Future Farmers, an organization composed of the Agricultural Students of the School, and affiliated with the State and National Associations of Future Farmers of America, is the twelfth largest chapter in California. Under the guidance of Mr. Ben-nion, ag. teacher, the F. F. A. makes up the largest boys' organization at San Juan.

We, the Future Farmers of San Juan, are proud of our many accomplishments of the 1940-41 school year. In September we built a "Cooperative Store" in the Farm Mechan-ics Shop at a cost of over 250.00 to facilitate better farm shop work in the school. The Chapter members completed a combination candy-booth and basketball scoreboard for use in the new San Juan gym. Another school improvement project undertaken by the F. F. A. this year is the landscaping of a small section of the school grounds.

Judging teams are now being organized to represent San Juan in inter-school com-petition. With two of the six Central California Judging Championships to defend, San Juan Judgers are working hard to have five strong teams again this year.

# HI-Y

The Hi-Y Club, whose motto is "Always true, willing to do," has advanced under the able sponsorship of Miss Ruth Spiers. This is the eighth year of club organization in San Juan High School.

As is customary, the club presented its annual variety show early in March. The main feature of the program was an advance fashion show for the year "2000 A. D." Also several musical numbers were included on the program.

This year six delegates were sent to the Older Girls' Conference at Richardson Springs. The delegates were selected by the club for meritorious work done for the club's benefit.

Because of the unfailing cooperation between club members, officers, and sponsor, we are certain that we can achieve the goal which is uppermost in our minds, to be one of the outstanding clubs in San Juan High School.

## PHOTOGRAPHY

Money . . . enlargers . . . chemicals . . . dues . . . bills . . . picture problems . . . all these have been the worries of the photography club and its officers.

This club is one of the most active in the school. Members attend frequent noon meetings and monthly night meetings during which photography and the attending problems are discussed. This year two of the night meetings were taken up with trips: one to a photography exhibit in Sacramento; the other to a local photographic studio.

For the second time the club has condensed the school's activities for the year into a small mural.

Mr. Snyder, a very helpful sponsor, has filled us all with good ideas for the practical use of photography, and it was through him that the club was able to purchase an expensive enlarger this year.

All in all the members feel that this, our second year, has been a successful one.

# SOCIAL ETIQUETTE

The year 1941 marks the third successful year for the Social Etiquette Club, under the supervision of Miss Ruth Wood, Home Economics teacher. The membership in this time has grown from fifteen girls to about seventy girls and boys.

Due to the increase in the club's size, we were unable to make our annual trip to Sacramento. Instead, we sponsored a very successful skating party.

# CROP 'N SADDLE

An additional sport was added to the girls' curriculum this year when Miss Lattin organized a riding club for those girls who were interested in learning to ride. We called ourselves the Crop 'n Saddle club and rode each Thursday at the Sacramento Riding Club. Since most of us were beginners, we spent our first eight lessons in the "Ring". It was here that our Riding Master, Mr. Robert Egan, taught us that there was something else to riding besides just hanging on and hoping. Every Friday found us just a little less sore and much more confident. Finally the day arrived when we were skilled enough to go out on the "Trail". This was a great day for us all. We now felt that we knew a little about mastering our horses. Furthermore, each day on the trail made us a little more confident, and we are now looking upon "walking" as a thing of the past and "jumping" as a fete of the future.

The club members wished to express their gratitude to Mrs. Ralph Graham, a member of the Sacramento Riding Club, for her work with Miss Lattin in the interest of the club; so we elected her an honorary member of our club at the last meeting of the year.

# MUSICAL

Since 1936, the San Juan Band has entered seven contests and of these has received the Superior rating in six. Now, with a brand new State Championship in its possession, the Band has prepared for the National Contest in Fresno, and with its past success to cheer it on, we're sure it is headed for greater things yet.

# ACHIEVEMENTS

Again this year we have looked to the Music Department to supply entertainment for any school program, and we have yet to be disappointed.

The new all-girl choir never failed to satisfy the taste of any audience; they performed at each Band Concert, at the Easter program and any other time they were asked.

Also, many programs were pleasantly augmented by the San Juan Trio and the Octette. The girls performed at various club meetings at the surrounding communities and they always provided a very popular part of any program.

The orchestra was small this year, but presented some fine numbers between the acts of our plays.

The Band was composed of eighty pieces, the maximum number allowed in a class B band. As usual, two full concerts were presented, and both were successful financially as well as musically. The fall concert was peaked by the playing of Grieg's "Huldigund's March," while the spring concert included the numbers that were chosen for the contest: Tschaiowski's Pathétique Symphony, and "Eroica" overture by Beethoven.

Among the band performances were many appearances at school games, in addition to the regular school programs.

With an eye toward the State Contest in Stockton, the band turned out to many night rehearsals and worked to maintain San Juan's usual high standing in State band circles.

Following the State Contest there was the National Contest in Fresno to be considered.

In all these achievements, Mr. Maddux Hogin supervised and conducted in the usual fine style.

# THESPIANS

San Juan National Thespian troop has had an active year carrying into effect the aims of the organization, intelligent interest and participation in dramatics. Members of the Thespians have made two trips to College of Pacific Little Theater, once to see "Romeo and Juliet" and once to see "Tovarich". Then the students presented one of the year's most successful dramatic programs for the assembly. This program was again given at Folsom as an exchange skit. Then there were the fall and spring initiations of new members eligible through participation in plays given by the school. The group concluded its activities with its annual formal banquet in Sacramento. The organization has been under the sponsorship of Miss Lillian Potter, our new dramatics instructor.

## ANNUAL STAFF

It has been the aim of the 1941 staff of Greenback Notes to pick up all the loose bits of school life and mold them into one complete record for you. Though busily working, the staff found the task a completely pleasurable one and under affable Jean Duncan, editor, and Harry Johnson and Bruce Ellithorpe, competent business managers, and Miss Miner, adviser, each member enjoyed his particular job. We take this moment to thank our adviser who has worked so industriously and willingly in the interest of this annual.

Here then, for San Juan's faculty and students, we offer a written and photographic revue, hoping to recreate the events of the past year into lasting memories through the medium of this book.

# GIRLS' LEAGUE

The organized Girls' League is ably guided by Miss Marjorie Berckhan, Dean of Girls. Each girl of the San Juan student body is a member of this organization.

The Girls' League sponsored their annual Hi-Jinx in November. The theme this year was "Sports". Barbara Archer was awarded first prize. The girls and teachers came dressed in various sport costumes.

Another social event which is carried on annually by the League is the Mothers Tea. Each year the girls entertain all the mothers of the school some time around Mothers Day. This year the tea was held in the second week of May. Refreshments and entertainment were provided.

The Girls' League has had a very successful year, and we all feel grateful to our adviser, Miss Berckhan.

## HONOR SCHOLARSHIP

Due to the efforts of the Honor Scholarship Society's sponsor and its officers, this organization has enjoyed an especially active schedule this year.

The C. S. F. Convention was held in Roseville in the fall, with delegates Betty Perry, Barbara Best, and Ruth Wasgatt representing the San Juan Chapter.

A journey to the bay area, unique in the history of this group, was taken on March 15th. The members toured the campus of the University of California under the guidance of two members of Phi Beta Kappa. Interesting places visited in San Francisco by the group included Chinatown, Fisherman's Wharf, Palace of the Legion of Honor, and the beach. The trip was an experience enjoyed by all who attended.

San Juan's Honor Society was well represented at the C. S. F. Convention held in Grass Valley on May 3rd.

The organization ended its successful year with a visit to the legislature and a banquet.
