ANNUAL STAFF

The 1942 annual staff chose as this year's theme "The Circus" because of the color, suspense, and excitement associated with it. We feel that all of these things are very closely related to our school life. We have attempted to transfer this feeling into a publicized form for your pleasure and remembrance. This year has been an unusually thrilling one, filled with unconquerable school spirit and many new achievements which have given us an abundant supply of material.

At the close of this year we, the annual staff, extend our appreciation to Miss Mueller, who advised the art work in this book, and to Jean Buckley, who did so much of it; to Nick Champlin, for his patience and good pictures; to our editor, Betty Jansen, for her able leadership; to Steve Peck, our competent business manager; and to all others who helped us achieve our goal, that of presenting to you, the students of San Juan, this book.

PERSONNEL

The barker must have a strong voice so he can be heard above the roar of the circus crowd as he introduces our first attraction, the personnel.

STUDENT GOVERNMENT

The Student Council is composed of student body officers, class presidents, and representatives of both the Girls' and Boys' Leagues.

The student governors this year were very active in doing all they could to make school more pleasant for the San Juan students. One of the main tasks of the Council is to distribute Student Body funds among the various teams and groups; namely, to balance the budget. This usually causes a local "Battle of the Sexes" and this year proved no exception. Other duties are to advertise school events, report the results of our games to the newspapers, sponsor programs and to provide entertainment during Student Body meetings. This year's council feels confident their successors will carry on the same cooperative work.

GIRLS' LEAGUE

The annual Hi Jinx, held in November, was the first item on the Girls' League's list of activities to be given this year. The theme was "Nationalities," and Ollie Mae Fogle was awarded first prize for the best costume of the evening.

The other item on the list was the annual Mothers' Tea in May. A short fashion show was given by the girls in the sewing classes and a program was also presented. Due to the shortage of sugar, no refreshments were served.

Every girl at San Juan belongs to the Girls' League and much of its success is due to the capable leadership of Miss Marjorie Berckhan, Dean of Girls.
