Coaches

The success of this year's athletic program is due to the splendid instruction and help given to the teams by our coaches. In April, Coaches McArthur and Clover left for the Naval Training Station in Virginia. At this time, Mr. Barbieri and Mr. Reimers were added to the physical education department.

Outstanding Athletes

To be the outstanding athlete of your school is an honor coveted by most of the fellows, and not a few girls. It has been our school's tradition to give a cup each year on Awards Day to the two students whose outstanding athletic ability and good sportsmanship deserve special merit. To the outstanding athletes of the Class of '42, Wayne Ferguson and Dorothy Mapel, salutations!

Football

With two regulars left from last year's squad, Coach McArthur started his pre-season practice with an inexperienced and undeveloped team. Our first game with Nevada City showed lack of experience but plenty of fight, and the next few games, against strong, non-league opponents, showed an ever-developing San Juan team.

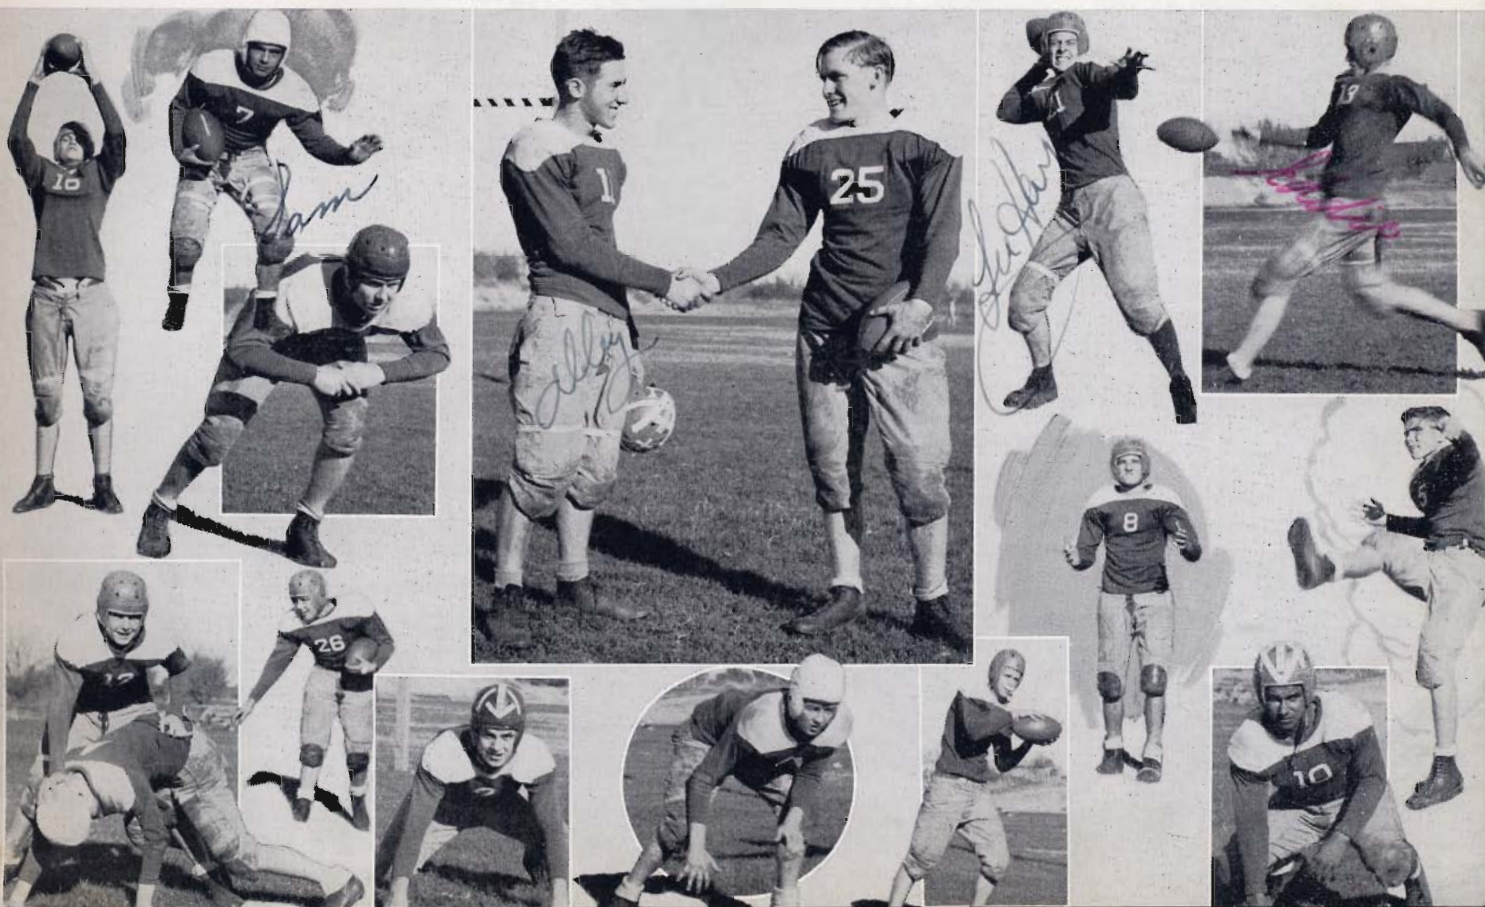

This year's eleven used a wide-open box formation with the quarterback taking the ball directly off the center. We scored in all games except the first two, and much of the scoring was set up by passing attack.

Five mainstays will be lost, four by graduation and one who is now in the U. S. Marines. We all expect a winning combination next year.

"A" Basketball

Starting with only one player from last year's team, Coach McArthur rounded out a quintette that proved its strength many times during the season. The team, which was composed mostly of Juniors, should be a winning combination next year.

"B" Basketball

A new team greeted Coach David Rizzi at the beginning of this year's basketball season. This "B" quintette provided many thrills for the spectators. With the experience acquired this year, the team will be a winner next year.

D TEAM

The D team showed fight and class in winning their first Sacramento County League pennant in two years of competition.

BASEBALL

At the start of the regular baseball season Coach Rizzi greeted a team which later became one of the best squads San Juan has ever fielded.

Special mention should be given Gene Heany who pitched a no-hit no-run game against Folsom on Friday the 13th. San Juan took this game by a score of 5 to 0. After losing to Roseville by an 8 to 4 score, San Juan traveled to El Dorado and again Heany pitched a brilliant game, allowing only one hit. After downing Christian Brothers, 10 to 7, San Juan met with disaster at the hands of Lincoln's very strong team. The score ended with San

Juan on the short end of a 17 to 1 count. More games have been played this year than ever before.

Only two regulars will leave at the end of this season, and with many brilliant players from all classes returning next year, we should expect a championship team.

BOYS' TENNIS

As the book went to press, no tennis matches had been held, but from the looks of the boys chosen we should repeat our record of Sacramento County champions. The schools on schedule are Folsom, Roseville, Elk Grove and Lincoln.

Track

After seeing such strong opposition as McClatchy, Roseville, and Marysville bow to our three teams of track, Coach Ross Clover stated that our chances for another championship team are very good. This year's "A" team was bolstered greatly by many of the "B" veterans who moved up into varsity competition. In all three divisions we are very strong and intend to furnish stiff resistance to the opponents in the remaining meets. The last two years have produced many promising athletes from the Freshman and Sophomore classes who have proven their worth in many meets.

Although Coach Clover has now joined the ranks of Uncle Sam's navy men, track will be carried on under the able supervision of Nick Barbieri.

Another delegation is expected to travel to Fresno where the Spartans will defend their record which was set last year by the Medley Relay Team. A congregation of many winners will also represent San Juan in the Central and Northern Section track meets.

Not unlike the regular track teams, the Cross Country teams were very strong with the "B" team winning their C.C.H.S.A.L. cup. The varsity and "C" teams took second in their respective divisions.

Yell Leaders

Spurred on by the untiring efforts of our yell leaders, San Juan's athletic teams marched through a season of many victories and some defeats. Chet Rasmussen was ably assisted by Isabel Neronde and Nancy Wallner in promoting good sportsmanship at all the games. The teams and school owe much to the loyalty of these students. Miss Porter, adviser, helped introduce several new yells which were enthusiastically received by the student body.

Boys' Block S. J.

This year the Boys' Block S. J. Society was carried on under the sponsorship of Coach McArthur, and was headed by President La Salle Campoy. The highlights of the club for the year were the initiations and the Carnival, which was rated as one of the year's most successful activities. The initiations were displayed in a new manner this year, much to the liking of *almost* everyone concerned. This year, the organization prided itself on the manner in which it complied with all the school rules and regulations.

G. A. A. and Block S. J.

These two girls' athletic organizations, the Block S. J. and the G.A.A., have worked together in complete harmony and agreement even to the extent of having joint meetings. The G.A.A., organized three years ago, aids the girls to obtain their blocks. The Block S. J. has been in existence at San Juan many years and is the goal which all G.A.A. members hope to attain.

G. A. A.

The Girls' Athletic Association had a very interesting and busy year this year. We were invited to the play days of Dixon, Roseville, Davis, and McClatchy, and all the girls who attended enjoyed them very much. On May 2 we gave our play day and sixteen schools attended. An Indian theme was carried out in the decorations. In the latter part of May we are planning our annual banquet for the girls, at which time the officers for the next year will be announced.

G.A.A. OFFICERS

Standing: N. Wallner, yell leader; Miss Shomate, adviser; T. Dickson, president. *Kneeling:* V. Ford, vice-president, E. Moeszinger, secretary.

BLOCK S. J. OFFICERS

L. Roark, vice-president; N. Smith, secretary; D. Mapel, president; Miss Shomate, adviser.

Girls' Block S. J.

Because the Block S. J. had only one member it was inactive at the first of the year. In January, six new members were initiated into the organization. The initiation was similar to the one held the preceding year in which new members were taken through stunts and frolic to the amusement of the student body. The climax of the week was a banquet dinner which was held at Ray's Cafe.

The first of May will bring more new members into the club, as they will have made the required number of points to become eligible for the organization. Under the able supervision of Miss Shomate, our new girls' athletic instructor, the Girls' Block S. J. will help sponsor the Play Day which will be given by the G.A.A. in May.

In reviewing the year's activities, much has been accomplished in promoting interest in girls' athletics. Block S. J. girls have been prominent in all sports. The ensuing year 1942-43 promises to be a girls' athletic year at San Juan for there will be about three undergraduate members to carry on the activities of the organization.

Girls' Sports

Besides the regular sports, many new sports were introduced to the girls this year by Miss Shomate. Paddle-tennis, handball, and horseshoes were among those presented. These new sports were received with great enthusiasm by the girls. Among the old sports, tennis is still one of the most popular. As the book went to press, the team had been selected and had played and won one game with Elk Grove. The girls' gym classes have been made more enjoyable and interesting because of the great variety of sports available.
