TRI-Y

This year's Tri-Hi-Y group has been the largest in the clubs history; and under the new and capable leadership of the advisor, Miss Byrd, it has been one of the best.

The club has lived up to its pledge "to create, maintain and extend throughout the home, school and community, high standards of christian character" through its projects. Among these projects were an Easter party for a group of handicapped children; A "Guilty Conscience" campaign to tidy up the school, as well as the students working during Christmas at the Community Chest giving out toys to under privileged children. Other activities have included attending the Model Legislature and Richardson Springs Conference; sending representatives to the National Convention in Cincinnati and presenting a joint dance with the Hi-Y Club.

HI-Y

The HI-Y started the year out as usual, trying to raise money. Minus the cake sales and usual schemes to get the budget out of the red, they put on an amateur program, and their annual dance with the Tri-Y. San Juans' Hi-Y was also well represented at Tri-Hi-Y conferences held at Stanford, Elk Grove and Sacramento. Keeping up the San Juan tradition for taking honors, they kept the office of vice-president of the Northern California Youth Conference in their ranks for the second consecutive year.

THESPIAN

Thespians aren't always traipsing across the stage, flailing the air with their arms, or tangling with telephone wires backstage. They can have a lot of fun doing other things, which was proved at our hilarious (?) initiations this year. Our meetings, too, have taken on these same proportions of gaiety. However, they enjoy hard work, too; and they had a chance to combine fun and hard work in our comedy production "Of All Things". Ours has been a big club this year, and the success depended on the interest of all our members. Nevertheless, we couldn't have managed without Miss Bascom, who has proved to be an advisor superb. We wish all the success and enjoyment that we've had to next year's club.

HONOR SCHOLARSHIP

These students, who have managed to accumulate the required grades, have spent the year trying to live up to their Federation's motto, "Scholarship for Service". For themselves they arranged a meeting with Judge Shields of Sacramento, held two initiations with Treasure Hunts, presented a Carnival, and organized a debating club. For the school they arranged trips to several colleges for San Juan seniors interested in enrollment next fall.

SCIENCE CLUB

Art Weston and Robert Smart at work on one of the many projects of the science club.

Every other week these young scientists meet with their advisors, Mr. Gordon and Mr. Crossfield, to work on their projects and to discuss their hobby, science. Among the things which have come out of this year's sessions have been speakers on the subjects of TB, general sanitation, and child care; trips to Dow Chemical Co. and the Sacramento Filtration Plant; discussions, movies, and demonstrations on their projects which range through relativity, foundry work, photography, astronomy, conservation and heredity.

These various projects are very important to us, as not only does the receiving of our pin depend upon their completion, but they also give us needed practice in completing the projects of our future.

COMMERCIAL CLUB

Standing, Left to Right: E. Wilkerson, treasurer; D. French, Historian; R. Correa, President; D. Fields, Reporter.
Seated, Left to Right: W. Sterritt, Vice-President; G. Roth-felder, Secretary.

Standing, Left to Right: J. Clement, E. Bryant.
Seated, Left to Right: B. Lawson, A. Ramos.

Anyone who has had a year of a Commercial subject may join our club. The members are interested in furthering their knowledge of business and business methods.

One of our projects this year was to send out questionnaires to our former Commercial graduates asking them about the courses most valuable to them while in school and about courses which they think should be added to our Commercial Department.

We presented a Student Body Program in the spring and engaged in various other activities which kept our two advisors, Miss Price and Mr. Hoag, fairly well occupied.

One of the more rational moments during the initiation.

BOYS' BLOCK

The Block S. J. started the year off right by a rough and rugged initiation of new lettermen to their society. A big banquet was prepared in honor of the plebs; main course: Raw egg ommlets and green onion souffele. All new fellows wore the finest, most carefully tailored clothes, a typical outfit of torn overalls, one boot, and a raincoat.

After the initiation, we settled down to staging a successful dance, "Hillbilly Hollow", with the girls' association. Both clubs worked hard and ingeniously to create a true backwoods atmosphere in the old gym.

The Junior Spartan Tournaments and selling candy at the games put the Block on its feet socially and economically.

GIRLS' BLOCK

The Girls' Block usually had fun serving pop and candy at our games, but this year we purchased a brand new popcorn popper that made "hopping-good" popcorn for all loyal Spartan game followers.

Working jointly with the Boys' Block, we staged our dance "Hillbilly Hollow" which was strictly an informal affair.

Other activities, which we won't forget, played their part also. They brought fun and laughter to all of us during this mid-century year of 1950-51.

Initiations to the Block means a strenuous day to the new members.

P. S. As always, the Block food counters were busy, even if Mr. Haag didn't buy any.

LEFT TO RIGHT: L. James, Vice-President; M. Palmer, Treasurer; P. Carter, Activity Chairman; O. Dotson, Secretary; E. Wilkerson, President.

GIRLS' LEAGUE

Lois Ezell, Fall President; Miss Berckhan, Advisor; Annette Taylor, Spring President.

OFFICERS: Ernestine Willis, Vice-President Colleen Hauser, Secretary; Jeanne Elmore, Treasurer.

Although the Girls' League didn't have many actual meetings, the year was far from inactive. Last fall some twenty members, looking their shining best modeled in the League Fashion show. This style show, which replaced the annual Hi Jinx, was something new for the League and met the approval of the masculine population of the school as well.

The big spring event was, of course, the annual Mothers' Reception. The girls entertained a large group of mothers with a program and a style show of the clothes made in the home economics department.

Always foremost among the activities of the League is the Big Sister program to help new girls acclimate themselves to the school. Joyce Lind and her committee competently handled this undertaking.
