Will you ever be here again in a lot of (advice?). Now let me give you some

Mary:
Oh! One school year finished. What a relief. Well we've had lots of fun this year in Annual and college prep. and we've had more fun yet. Just bumming around the school on those make believe passes. Graduation night is this Friday and still no booze. Don't worry we'll get some yet and get you "stinkin" for old times sake. When you get out of school I don't want to see you standing on street corners waiting Friday night. You'd better tell every Old Man to suck up the booze Lang's summer or will be over and clear out the house. Take it easy in your far future years and the Best of Luck to a swell gal and annual editor.

Bob McPowan

Dear Mary:
 I just want to let
 you know that I think
 you are a wonderful girl.
 You are so darn sweet & thoughtful
 it makes me feel like a dumb
 amateur. I admit I had to work
 you out as I know you will succeed
 in everything you do without the
 help of my best & always
 true friends.

Mary,
 had a lot
 of fun driving
 your good kid
 like you. Mary you
 have the best in
 all you do.

Joe Neuberger

Dear Mary, a lot of
 people think you
 are a kid but you
 are so smart & so
 thoughtful. I hope
 you will be a
 great success in
 everything you do.
 I hope to see you
 soon. Love, Joe

— DEAR MARY —

From this day forward the days will pass and leave only sweet memories of this wonderful class. That is the wonderful part of having such a fine final product such as this annual which you have supervised. It is the existing bond between you and me and all the staff and is the one thing which stamps us as successes in high school. Your theme has been worked up marvellously ^(spelled wrong). Of course my good section is the real fine, outstanding, terrific, unexcelled part of the book but I am sure you know that.

Also as friends we must remember those hectic days in college Prep. That sure was a hard course and to top it off with I have to get in ditch the last week. — I guess I am just a odd ball or something. Certainly things which will remain with me in memory when I think of you are

1. The Cal - Ucla. Game.
2. The night I came over on invitation to your house.
3. The latters work at the S. Ball.
4. Your son born at cur day and lastly.
5. The Annual.

Bye Bye Now
and please never
forget me

Jack George

Good Luck
W on Banks
