G.A.A.

Eager participation and stiff competition both contributed to make this year's Girls' Athletic Association the most exciting and thrill-packed one that the school has yet seen.

One of this year's highlights was the introduction of tennis into the sports program which already included hockey, baseball, volleyball, and basketball.

Rounding out the program for this year were playdays, one of which was at Sacramento J. C. and was won by the San Juan girls. The G. A. A. Banquet was attended by many and is always a popular event.

G. A. A. not only gives the girls an opportunity to get acquainted through play but also helps them to improve their sportsmanship and character.

Activities

Appreciation

As we look over our staff room and see the cluttered heaps of trash and bodies we wonder how we made our press date, but we did and even if we do say so ourselves, we think we produced a pretty good annual. But, it never would have been possible without the hard work and co-operation of the following people—

1. Mr. Ray Hill, our photographer, who was always available regardless of the time or problem we presented.
2. Mr. Roy Keilholtz and Bill Coyan of Sacramento Lithograph Company who were always full of ideas, sometimes depressing but still ideas.
3. Mr. Herb Silvius of Silvius and Schoenbackler who bore with us our indecision as to color and design of our cover.
4. Our advertisers and their money.
5. All the students who helped the book along with their pop bottles.
6. Jerry Jansen who sweat blood and tore his hair with us first semester as co-editor.
7. Cindy Keim whom we can thank for all the wonderful little men running through the book.
8. Mr. Howard Wood, our next door neighbor, for resisting the temptation so many times to come to the annual room and give us the old heave-ho.
9. And last but not least to our own wonderful staff for making the book possible.

Sincerely,
