VARSITY FOOTBALL

This years Varsity Football team, coached by Dick Pierucci and his assistant Jack Scott, started off their season losing their first four games. The team was not as bad as their record indicates, however. They lost to Placer by one touchdown, and to La Sierra, in a hard fought contest, by one point. The overall record was three wins and six loses. The Spartans ended the season by defeating Roseville by a score of 7 to 6.

Ernie Cloud, Larry Rhodes, and Larry Stephens won all-conference awards for outstanding jobs done. With the fine team of juniors coming up next year, it looks like a very successful season for the Spartans.

Ernie Cloud is brought down by an Elk Grove tackler after a large gain from a pass from Dennis Hanson.

It appears as though Gale Butler escaped the clutches of this Elk Grove pursuer, even if he did it was all in vain for it was an incompleated pass. Other players identified are No. 21, Bob Gaston; No. 32. Dwight Reaka; and No. 45, Bob Baxter.

Larry Stephens is brought down deep into the Elk Grove territory after a large gain. The whole Elk Grove defense appears to be in pursuit. Other players identified are Dennis Hanson, No. 22; and Harold Hall, No. 27.

Dennis Hanson broke away from this Elk Grove man and went on to gain 11 yards on this play. Bob Gaston, No. 21 is trying to overtake the defensive man.

J. V. FOOTBALL

The Junior Varsity football team, under the coaching guidance of coaches Ray Schultz and Jack Kromrey, climbed into a tie for the championship with La Sierra by way of a 7-0 victory over El Dorado combined with an Elk Grove victory over La Sierra. Their overall record was 3-1-1. With a fine bunch of players coming up, the next year's team should be of championship caliber.

FRESHMAN FOOTBALL

The freshman football team made a good debut this year with a three win, three loss record. There should be a fine crop of ball players coming up for our Junior Varsity team.

The main purpose of having a freshman team is to create interest in sports in the students' freshman year.

"C" & "D" BASKETBALL

The "C" basketball team, under the fine coaching guidance of Lee Olson, ended the season with an excellent 10 win--1 loss record. Surprising as it may seem, however, they lost the championship to James Marshall by a score of 36-21. Dick McArthur led in scoring honors with 73 points. Other outstanding players were Steve Hill, Stan Hunter, and Bob Gardner.

After losing their first three decisions, the "D" team went on to win the next 7 out of 8 games. They lost the championship to Elk Grove by a score of 31-21, but finished the season winning the last six games in a row. Lee Dryden was the scoring ace with 56 points. Tim Knapp, & Bill Barnes were also outstanding players.

CROSS-COUNTRY

The Cross-country teams had one of the best seasons ever experienced at San Juan. The "C" & "B" teams took first in the league, while the varsity took second. Richard Carrington led the varsity squad in fine fashion. Record-breaking minded Harvey Evans, who was setting records at every meet, led the "B" team. Gene De Visscher, who set a few records of his own, paved the way for the "C" team.

In the Section Meet held at Sacramento, the spartans showed the true desire and determination of a San Juan team. The "C" team took first while the "B" and "A" teams took second and sixth respectively.

Even though Cross-country is not very well publicized in school, this sport deserves more noticeable attention from the students. The team members work hard to make San Juan's name more widely known throughout the Sacramento area in the so-called minor sport.

With a tremendous group of runners coming up, it looks like another very successful season for coach Frank Evers and his teams. Let's give them our school spirit next year and the teams will go on to another year of winning ways.

"A" BASKETBALL

The Varsity Basketball Team ended the league season in a tie for second place with Elk Grove. Their league record was 6-4, while for the season it stood at 13-11. The Spartans lost some close games or otherwise would be on top in the G.E.L. standings. As an example, they lost to El Dorado by a score of 52-48, lost to Elk Grove 34-31, and to La Sierra by a 40-33 count.

In the Placer Tournament the Spartans rolled to a 75-54 victory over Willows then Folsom, in the final two seconds scored to win the second game 27-25. The Spartans came back strong to take Gridley by a score of 48-36 and the third place trophy. In the tournament Gale Butler was selected for the first all-tourney team while Dale Schrader was selected for the second all-tourney team. San Juan also won the sportsmanship trophy along with the outstanding rooting section award.

Gale Butler broke the rebound record with a total of 310 rebounds for the season. Dale Schrader broke the field goal percentage record with 45%.

This picture typifies the enthusiasm of the students at San Juan towards sports. This is during the home game with Elk Grove.

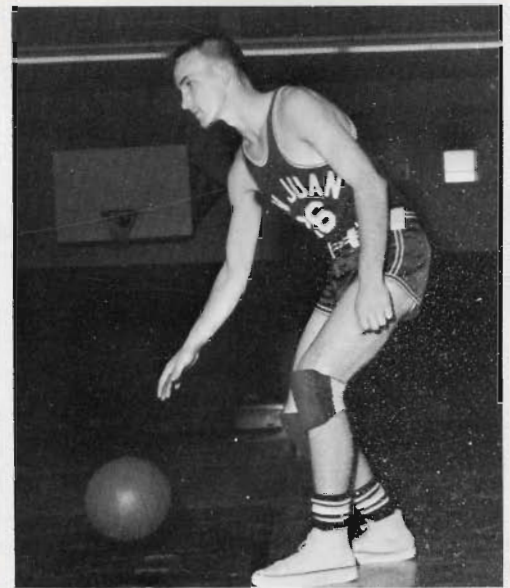

Gale Butler appears as though he has his hands full with all these El Camino ballplayers surrounding him. He came out of this situation shooting two free throws.

Larry Stephens drives in for two against our arch rivals, El Camino. Gale Butler, no. 34, and Dennis Hanson, no. 27, are also identifiable. San Juan won 52-48.

"B" BASKETBALL

Tom Sekul's "B" team streaked to the Golden Empire League championship with a very impressive 8-2 record. They were never below top spot, and only for a while Armijo was tied with them until the Spartan Quintet downed them 46-34.

With personnel such as Clyde Stone, Gary Mathany, Jerry Steinke along with others coming up, San Juan should have a tremendous future in basketball.

WRESTLING

The San Juan Wrestling team started off their first year as a big success. Coached by Mr. Pierucci, the team went on to complete a very successful season. The team defeated El Camino the second time around in the biggest victory of the season. D. Salsbury, B. Rudge, D. Turner, D. Padilla along with others, made the season a success. The matsmen made a good showing at the tournament at Chico. We hope to have wrestling around as a permanent part of the sports activities at San Juan.
