VARSITY BASEBALL

Mr. Jack Scott takes the over the coaching duties of the varsity team this year after the retirement of Mr. Pierucci as the head baseball coach. Last year's team took the G.E.L. championship and it looks like the spartans are going to be up near there again. Returning lettermen Bill Dudley, Harold Hall, Ralph Payne, along with pitcher Ed McMillan, and other former J.V. players could jell to form another championship team.

JUNIOR VARSITY BASEBALL

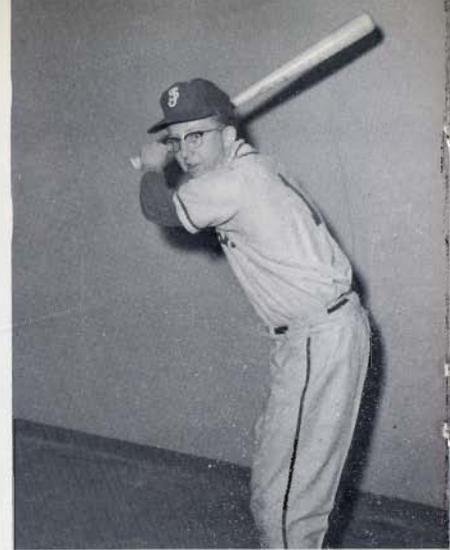

This is just a few of the many players who will come out for the J.V. team this year. Coached for the first year by Jim Enos it will be interesting for him as well as the ballplayers. We hope that the J.V. team can be continued next year so as to keep the interest high in this great sport.

FRESHMAN BASEBALL

The freshman baseball team was just getting under way as this picture was taken. We hope this year's team the best of luck.

The primary purpose of freshman baseball is to create interest in it at an early time in the player's high school career. This way they are more apt to continue playing and eventually make the varsity squad. It is a good way to build for the future of a team.

GOLF TEAM

This year's golf team promises to be a top notch club. Coach Sekul has a good turnout for this year's squad. The competition is keen on their schedule. They play many of the city schools along with El Camino. Good luck to the golf team this spring.

VARSITY TRACK

The track teams this year should have a fairly successful season. With the returning lettermen, the B team has an outstanding crew. Coach Ray Schultz says he feels that the season should be a very successful one.

We regret that all of the students who will be coming out for track after this picture was taken could not be in the Annual. Due to an earlier deadline it was necessary to take pictures of the people available at the time.

G. A. A.

Whaaaaaat do you call this?

Get that ball!

Get that birdie!

The Girls' Athletic Association of San Juan High is one of the largest in the school. Better known as G.A.A., it is composed of girls of all classes. The only qualifications for membership is that the girl be interested in sports and hold a student body card. The club sponsors activity days with other schools and attends them at different times in addition to the regular meeting days of the organization. During the year, field hockey, badminton, volleyball, basketball, and softball are played, each in their respective seasons.

ACTIVITY SHOTS

Where's the ball?

One more to go and then
you go!

Miss Carol Lewis and Miss Marjorie Johnson are the advisors. Together they have done a wonderful job in creating spirit and getting the members to take an active part in all sports. Their encouragement and hard work have made this club one of the best on the campus.

Would you believe it? This
is basketball!

The officers of G.A.A. have a very important job. The club has twenty officers who compose the cabinet. The cabinet of G.A.A. governs the organization, establishing the yearly schedule of the club and clearing up any business that comes to their attention. In addition they set up and run the extra activities of the club.

The officers are elected for one year terms. When they take on their respective offices they have the confidence of every member of G.A.A., and with this they will strive to do the best possible job.
