Mary - So a real nice, sweet, cute, likeable girl, I'm sure I have had fun knowing her since I first came here. I don't know how long she's been here, but I did like her a lot. I hope you will tell me if you see a cut in the paper. I have two days to wait until I can get out; I really hate to see my friend go. I will tell you I have a real cute boy in my class with you next year. I sure hope you'll like him. I have a real cute boy in my class with you next year. I sure hope you'll like him. I have a real cute boy in my class with you next year. I sure hope you'll like him.
