This group gives a fine performance at the regular school functions, Operetta, Christmas program, and Spring Concert, but they are also called upon to sing at special gatherings.

Known as director of the Symphonic Band, Mr. Maddux Hogin also directs the girls' choir. He is in charge of the pep band and has done a terrific job in assembling them, getting their music, and seeing that they are at the home games ready to play. He has taught at summer sessions at College of Pacific and Sacramento State, and at Pacific Grove summer camp. He graduated from the College of Pacific and has earned a Bachelor of Science degree.

Teaching Voice Training, Arithmetic, Junior A Cappella, and Symphonic Choir are the duties of Mrs. Jean Curtis. A graduate of San Jose State with an A.B. degree, she is an alumnae member of Mu Phi, a music sorority. Sponsoring the operetta every spring and the Elizabethian Choir are a few of the many things Mrs. Curtis contributes to San Juan.

San Juan has had the happy experience this year of meeting Mr. Wilson, a student teacher of history and A Cappella.

Active Mr. John Condie does a splendid job of directing the Senior Play, the Operetta, and sponsoring Thespians. His teaching duties consist of English and Stagecraft. He graduated from the University of Wisconsin and holds a Master of Arts degree.

Mrs. Eada Silverthorne graduated from Brigham Young University where she earned her Bachelor of Science degree. She majored in Drama and used English as her minor. Before coming to San Juan, Mrs. Silverthorne taught in Mesa, Arizona, and Sacramento, Calif. This year she has six English classes, is the sponsor of the Junior Red Cross, and is the director of the Junior Play.

As advisor of Debating Club and the Senior Class, Mrs. Martha White is kept quite busy. A former teacher at Oroville High School, Mrs. White graduated from the University of Washington where she got her B.A. degree. Her class time activities include English and Public Speaking.
