Variety

The Variety Show followed a gay, colorful, exciting theme this year under the title of South of the Border. The acts ranged from a Cha Cha Dance to a Johnny Ray pantomime to an evening serenade. Everything tied into the Spanish theme through the course of a Spanish festi-

THE SONG

Julie Van De Vort

Rikard Nordraak, the young poet, has written a beautiful poem about Norway, which Edvard Grieg, the young composer, has promised to set to music. Edvard, Rikard, and Nina Hagerup with whom Edvard is in love, are taking part in the mid-summer's eve celebration in the village of Bergen, Norway.

To this colorful town comes Countess Louisa Giovanni famous opera star and her husband Count Peppi LeLupe. The Countess is enchanted by the music and person of Edvard Grieg. She offers him the opportunity of accompanying her on a concert tour through Europe. Nina and Edvard announce their betrothal just prior to Edvard's departure with the Countess and her husband.

Bob Brown

One year later, Edvard has attained some renown as a composer, and is the rage of Copenhagen under the sponsorship of his patroness the Countess. The elder Grieg's, with Nina, and Rikard, have come to Copenhagen to attend Edvard's concert. They are taken aback at the change in the young composer. Nina and Rikard are upset, because Edvard has agreed to write the music for a poetic drama "Peer Gynt" by Henrik Ibsen, forgetting meanwhile his promise to Rikard to set to music his poem about Norway.

Colorful uniforms . . . snappy yells . . . original formations . . . spirit and sportsmanship . . . characteristics that four girls representing San Juan possess. These are our Varsity Yell Leaders whose appearance at all the games has helped increase San Juan's school spirit this year. Assisting the head yell leader, Verna Stephens, during football season were Joyce Saunder, Leni Mondoza, and Laureen Cabodi. At the beginning of the second semester Laureen resigned from her office and Student Council appointed Arlene Jorgenson to fill the vacant office.

The Varsity group was rewarded for their year long efforts when San Juan was awarded the Sportsmanship Trophy and the Outstanding Rooting Section award at the Placer Tournament in February.

J. V. YELL LEADERS

ROLL CALL--Jean, Joan, Patti and Jean. Best known for their bermuda skirt uniforms, these four girls have done an outstanding job this year in promoting school spirit and organizing the rooting section. As Junior Varsity boosters, these four junior girls, Jean Priest, Joan Priest, Patti Korby and Jean Howard, did a fine job judging from the awards presented to the B teams this year. They were mainly responsible for all the posters throughout this year advertising the games.

SONG LEADERS

Sing high, sing low, Maxine, Linda, Geri, and Jane. These four high spirited Seniors have been the songleaders of San Juan for the past year. Rainy, sunny, foggy, or hailing, if there was a game, they were there yelling, singing, encouraging good sportsmanship, and leading the crowd in songs, half time exercises, and in the Alma Mater. These four girls have really done a tremendous amount of work to keep up the school spirit and to have good sportsmanship at the games. They merit a hardy "THANKS" from each and every one of us in the student body and faculty.

PEP BAND

Presenting the pep band . . . DA-DA . . . DA-DA . . . DA-DA-DA CHARGE!!! High notes, low notes, soft notes, loud notes, sweet notes and an occasional sour note mixed together, could mean nothing but the spirited San Juan Pep Band. These pep band members are seen at the football and basketball games doing their best to boost the spirit of the San Juan Rooters. Whether it is the Alma Mater, the Fight Song, or some other high spirited song, they help to raise the morale and the volume of both the team and the rooters, whether winning or losing. Let's really get in there and give the pep band the credit it deserves.

MAJORETTES

Many enjoyable halftimes have been spent watching the San Juan Majorettes perform. Cute and different routines plus bright red and white costumes have been enthusiastically accepted by the crowds. Hours of practice and originality have given San Juan a Majorette team of which it can be proud.

RALLY COMMITTEE

Ree rah ree, kick 'em in the knee

Ree rah ras, kick 'em in the . . . other knee!

And so goes the mad, frantic cries of the rally members while planning another mad, frantic rally.

Rally Committee was formed to promote better spirit and better rallies for the student body. Members consist of the Varsity and J.V. Cheerleaders, the Song-leaders, twelve other persons elected by the faculty and student council, and a mascot.

Some of the more outstanding rallies which were presented this year were the mock football game out on the football field, the exchange rally with La Sierra, and the blindfold basketball game with Miss Lewis and Mr. Schwall shooting for Varsity and Mr. Sturgeon and Mr. Sekul shooting for Junior Varsity.
