R. F. D. ROUTES

The following is a complete list of the people residing on the rural routes served by the Stockton post office. There are others living along the routes traveled by the carriers, but they do not wish carrier service, hence their names cannot appear. The list contains only the head of the family in each instance. The description of each route is given to assist those looking for persons not given in this list. The general direction of a person's residence being known, little trouble will be experienced in determining the route number. To assist those wishing to locate persons along the route it will be found that the boxes are arranged in numerical order.

ROUTE NO 1

Runs northeast, eight miles on the Waterloo road to Jack Tone road, thence one mile north to Osborn lane, thence six miles west on same returning south on Cherokee lane.

ROUTE NO 2

Runs north eight miles on Lower Sacramento road, thence two miles east on County road, south one and three-quarter miles on Woodbridge road, east on Hammer lane to West's lane thence to city, covering all territory north of North street.

ROUTE NO 3

Runs east eight miles on Copperopolis road, thence north
