POLK-HUSTED DIRECTORY CO'S

1913

POLK-HUSTED DIRECTORY CO'S LODI DIRECTORY OF HOUSEHOLDERS

1913

In the following list, the Streets, Avenues, etc., are arranged in alphabetical order without regard to location. The number of each residence building on the street is given in numerical order, and opposite the number is printed the name of the householder or householders. Houses that remained vacant at the close of the canvass have the word "Vacant" printed opposite the number. Houses with no numbers are not given. To find the occupation of householder, refer to the alphabetical list of names.

To phone a person whose name does not appear in the City Telephone Directory, look said person up in alphabetical section, ascertain their house number, refer to "Householders' Guide" for corresponding street and number and the householder or householders' names appear, they being in phone book if there is a phone in the house. If no phone in the house neighbors on each side will be seen before and after name, also people opposite.

LIKE UNTO THE MAN WHO BURNS ONE
MATCH BENEATH A FIVE-BARREL KETTLE
OF WATER AND THEN SAYS FIRE WILL NOT
HEAT WATER.
