YOUR CITY DIRECTORY SHOULD BE TRADE-MARKED
 Contact is the basis of civilization. By our contacts with others our ideas are broadened and fertilized. The
 interchange of ideas and ideals, made possible by association contacts, are the greatest factor in the refinement
 of a service or a product. They help that service or product attain a high degree of perfection. This is the office
 performed by the Association of North American Directory Publishers.

When People "Want"!!

THEY LOOK IN THE

CITY DIRECTORY

(CLASSIFIED SECTION)

- ☛ *Is your name under the commodity they seek?*
- ☛ *If not, that opportunity of routing valuable business to you is lost. It's about the same as if you kept one of your entrance doors locked.*
- ☛ *Hadn't you better investigate your omnipresent city directory, and convince yourself of how it can help your business?*

Be it Kalamazoo or Baraboo, information arrangement is uniform. Sixteen gauge wire is identically the same size in Boston or Bellingham, railroad tracks are the same width in Connecticut and California; shoe sizes are standard whether made in Brockton or Stockton, and so on, ad infinitum.
