Be it Kalamazoo or Baraboo, information arrangement is uniform. Sixteen gauge wire is identically the same size in Boston or Bellingham, railroad tracks are the same width in Connecticut and California; shoe sizes are standard whether made in Brockton or Stockton, and so on, ad infinitum.

A Call Was Left For You
 Whose Telephone Number Is It?
 The Answer Is in the Numerical Telephone Guide
 of This Directory

A Prospective Purchaser

Turns to the Advertising Department covering the Desired Business and selects certain names and addresses.

Will He Find Your Advertisement There?

If not, you lose the business, and your competitor gets it through his advertisement in the Directory.
