Contact Is the Basis of Civilization

By our contacts with others our ideas are broadened and fertilized. Your business, too, will react to the benefits to be derived from contacts made through the medium of your City Directory.

DIRECTORY SHOULD BE TRADE-MARKED

By our contacts with others our ideas are broadened and fertilized. The greatest factor in the refinement of our ideas, made possible by association contacts, are the greatest factor in the refinement of our products. They help that service or product attain a high degree of perfection. This is the office of the Association of North American Directory Publishers.

DR. JOHNSON, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

NEW CUSTOMERS must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.
