DR. JOHNSON, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

NEW CUSTOMERS must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

YOUR CITY DIRECTORY SHOULD BE TRADE-MARKED

Contact is the basis of civilization. By our contacts with others our ideas are broadened and fertilized. The interchange of ideas and ideals, made possible by association contacts, are the greatest factor in the refinement of a service or a product. They help that service or product attain a high degree of perfection. This is the office performed by the Association of North American Directory Publishers.

DR. JOHNSON, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

NEW CUSTOMERS must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.
