

DR. JOHNSON, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

NEW CUSTOMERS must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.

STOCKTON RURAL DELIVERY ROUTES
1931**

COPYRIGHT, 1931, BY R. L. POLK & CO. OF CALIFORNIA

The following is a complete list of the people residing on the rural routes served by the Stockton post office. There are others living along the routes traveled by the carriers, but they do not wish carrier service, hence their names cannot appear. The description of each route is given to assist those looking for persons not given in this list. The general direction of a person's residence being known, little trouble will be experienced in determining the route number. To assist those wishing to locate persons along the route it will be found that the boxes are arranged in numerical order.

Your City Directory—The Binnacle of Business

The seas of industry, while uncharted in many respects, are very definitely indicated in the modern "log" of business—the City Directory.

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

YOUR CITY DIRECTORY SHOULD BE TRADE-MARKED

Contact is the basis of civilization. By our contacts with others our ideas are broadened and fertilized. The interchange of ideas and ideals, made possible by association contacts, are the greatest factor in the refinement of a service or a product. They help that service or product attain a high degree of perfection. This is the office performed by the Association of North American Directory Publishers.
