HOLLY SUGAR

HOLLY SUGAR, a product of San Joaquin County, is sold by all the leading grocers in California and is featured especially by local merchants who are interested in the welfare and prosperity of San Joaquin County. With a modest beginning of 60,000 bags in 1926, this extra fine quality of granulated sugar met instant approval by women who appreciate something better in quality, and production has grown steadily until we reached a production of 1,000,000 bags in 1930.

* * *

THIS EXTRA FINE GRAIN SUGAR is ideal for table use. Whether used in hot or cold drinks, fruits or other desserts, HOLLY SUGAR, because of being extra fine granulated, dissolves instantly, giving your foods and beverages a smooth, velvety taste, and does not leave a grainy residue.

* * *

IT IS UNEXCELLED as a preserving sugar.

* * *

BEING OF SUCH EXTRA FINE GRAIN, HOLLY SUGAR has met the instant approval of those women who take pride in baking fancy cakes, pies and pastry.

* * *

HOLLY SUGAR is offered to the people of California on its merits as a sugar possessing all the fine qualities of pure refined sugars. HOLLY SUGAR CORPORATION poured more than \$3,000,000 into local circulation in 1930.

Packed in 2-lb., 5-lb., 10-lb., 25-lb., 100-lb. Bags
