

Little things

that bring overflowing
return!

The envelope insert is the little well-wisher, the friendly reminder, that accompanies your business communication on its journey. Like the extra passenger of the taxicab, it rides free, causes no addition to the postage cost. But at the end of the trip it bids an agreeable "How-do-you-do" to your customer, and stops to tell him of your new goods or perhaps of some new service. Of course this printed piece must be colorful and attractively arrayed which means that the typography must be good, and above just average printing.

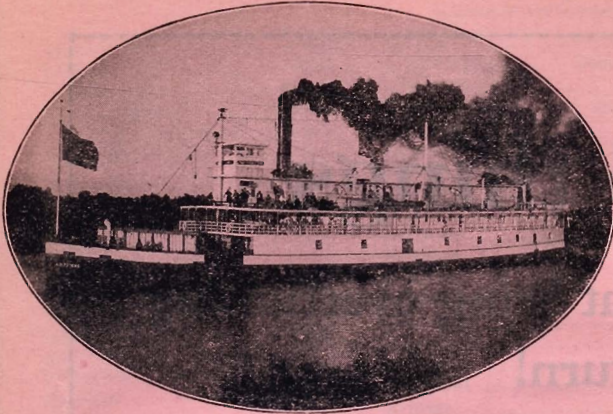

We are equipped to handle all of your printing requirements—it is our business to create and design attractive printing—Call on us for an estimate.

WHEN YOU'RE IN OAKLAND

You'll find it a busy, beautiful city.

Its stores and shops offer as wide a variety and fine a quality of merchandise as those of any city on the Coast. Its theaters are among the best playhouses of the West. Its manufacturing plants are world-known.

Scenic attractions abound. You've heard of Lake Merritt, Chabot Observatory, Mills College, Municipal Airport, Posey Tube, Joaquin Miller Home and Skyline Boulevard even if you've never been to Oakland. If you have seen them, you know the beauty that is Oakland's.

The waterfront on San Francisco Bay has a lure all its own, and the old sailing vessels in the Estuary are sure to attract your attention.

Don't miss anything when you come to see us. Oakland is always glad to welcome visitors from the San Joaquin Valley.

Drop in at the Oakland Chamber of Commerce, third floor of the Financial Center Building, and let us aid you.
