INCLUDING A COMPLETE

Street and Avenue Guide

COPYRIGHT, 1937, BY R. L. POLK & CO.

In the following list the streets are arranged in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or house owner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable. In all streets both sides of the streets are included in one list. The profession or business of individuals or firms is given only at their respective places of business to find occupation of others refer to Alphabetical List of Names.

Numerical Streets are compiled following the Named Streets.
