# STOCKTON RURAL DELIVERY ROUTES

# 1957

Copyright, 1957, by R. L. Polk & Co.

The following is a complete list of the people residing on the rural routes served by the Stockton postoffice. There are others living along the routes traveled by the carriers, but they do not wish carrier service, hence their names cannot appear. The description of each route is given to assist those looking for persons not given in this list. The general direction of a person's residence being known, little trouble will be experienced in determining the route number. To assist those wishing to locate persons along the route it will be found that the boxes are arranged in numerical order.
