CITY DIRECTORY****IT COSTS YOU MONEY—Every Time it Is Loaned**

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

To Keep Ahead of Needs

Not only to keep abreast, but also ahead of the needs of the area served by the Stockton Record, this newspaper has, during the past five years, built three new buildings, completely remodeled the existing buildings and installed the finest equipment available in the mechanical departments.

This expansion has just been completed with the installation of a new seven-unit Goss "Headliner" Press. The "Headliner" doubled the capacity of the former press as well as giving the Record facilities to print three colors and black.

For more than 63 years, the Stockton Record, the "Hometown Newspaper" of the Stockton Trading Area, has carefully cultivated this great market and the readers have made the Record a daily reading habit to give advertisers fast action and sure sales. This reader interest and loyalty, without parallel in Central California, cannot be bought or grown over night but it is yours when you advertise in the Stockton Record.

More than 57,000 families read the Stockton Record every day.

EVERY STORE

should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer expects.

The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.
