JOHN W. ROBERTSON, A. B., M. D., Lecturer on Mental Diseases and Medical Jurisprudence.

The College Year is divided into two terms, the preliminary or spring term and the regular or summer term. The preliminary term commences March 1st and ends May 12th; the regular term begins June 1st and terminates October 31st. During these terms all the branches of medicine and surgery will be taught, didactically and clinically. Regular clinics are held three days in the week at the City and County Hospital, where the Professors of the practical chairs have charge of wards, and possess every facility for the instruction of students. Lectures are given daily by the Professors, and evening recitations are held three times a week.
