

Street Directory of Redwood City

Redwood City is divided east and west by El Camino Real. Thoroughfares do not run directly toward cardinal points, so their trend can only be approximated. A few streets are separated into east divisions, such as Fuller and East Fuller. In new additions houses have not been numbered yet, so only streets can be given. Streets are arranged in alphabetical order, with houses on each side in numerical order.

Adams street—Runs from Roosevelt westward to Harrison, 6 blocks.

Addison street—Runs from Grant westward to Redwood, 1 block.

Alden street—Runs from Eaton westward to Arguello, 4 blocks.
