COAST DIRECTORY COMPANY'S

BURLINGAME, SAN MATEO AND HILLSBOROUGH RESIDENCE DIRECTORY

1944

(Names of city after each street name is the P. O. Address)

Compiled alphabetically as to street and numerically as to house number, the following directory shows all house-holders or heads of families on each street.

MR. SUSCRIBER—Do not overlook the value of this feature of the Directory. Use it for Mailing—Delivering—Collecting—Phoning.

DO YOU KNOW that the nearest telephone to anyone in the Directory can be located through this feature? Very often the person you seek can be reached by a telephone listed in the Telephone Book under the name of another person residing in the same home. For example: **MARY JONES** has no telephone, but her name appears in the Directory residing at **400 K STREET**. In the Residence Directory **400 K STREET** shows **JOHN SMITH** as the householder—neighbors on either side and across the street also are shown. They may have telephones.

(For mail address of Hillsborough residents see this section of directory)

(For names of Millbrae residents see last section of the directory)
