INTRODUCTORY

In presenting this 21st edition of the Burlingame-San Mateo City Directory for 1944, the Coast Directory Company appreciatively acknowledges the generous co-operation of the progressive business and professional men who have made its publication possible.

The substantial growth of the district, and the many changes noted since the edition of last year emphasize the necessity for such an annual publication.

THE HOUSEHOLDERS GUIDE of the directory, comprising the first section, contains a list of all the streets and avenues in the district, arranged in alphabetical order. The house numbers are arranged numerically, showing the head of the house.

THE ALPHABETICAL SECTION contains the names of residents, professional and business men and firms. The wife's name is given in parenthesis following that of her husband.

THE CLASSIFIED DIRECTORY follows the alphabetical section. Here all lines of business are alphabetically arranged and the various firms listed according to their respective business.

MILLBRAE, which is added to the regular publication, will be found following the Classified section.

THE TELA-KEY is the last section of the directory. In it will be found a numerical listing of telephone numbers.

THE ADVERTISERS herein whose names appear in bold type are especially commended to the buyer as progressive representatives of their respective lines.

Lodges, Clubs, Societies and other information of a civic nature, will be found in the miscellaneous pages.

The information contained in this directory is obtained by actual canvass, but the publishers cannot guarantee the accuracy of information given them, and assume no responsibility for errors or omissions.
