INTRODUCTORY

In presenting this 24th edition of the Burlingame-San Mateo City Directory for 1947, the Coast Directory Company appreciatively acknowledges the generous co-operation of the progressive business and professional men who have made its publication possible.

The substantial growth of the district, and the many changes noted since the edition of last year emphasizes the necessity for such an annual publication.

THE HOUSEHOLDERS GUIDE of the directory, comprising the first section, contains a list of all the streets and avenues in the district, arranged in alphabetical order. The house numbers are arranged numerically, showing the head of the house. The small © denotes owner.

THE ALPHABETICAL SECTION contains the names of residents, professional and business men and firms. The wife's name is given in parentheses following that of her husband.

THE CLASSIFIED DIRECTORY follows the alphabetical section. Here all lines of business are alphabetically arranged and the various firms listed according to their respective business.

MILLBRAE, which is added to the regular publication, will be found following the Classified section.

THE TELA-KEY is the last section of the directory. In it will be found a numerical listing of telephone numbers.

THE ADVERTISERS herein whose names appear in bold type are especially commended to the buyer as progressive representatives of their respective lines.

Lodges, Clubs, Societies and other information of a civic nature, will be found in the miscellaneous pages.

The information contained in this directory is obtained by actual canvass, but the publishers cannot guarantee the accuracy of information given them, and assume no responsibility for errors or omissions.

COAST DIRECTORY COMPANY'S

BURLINGAME, SAN MATEO AND HILLSBOROUGH RESIDENCE DIRECTORY 1948

(Names of city after each street name is the P. O. Address)

Compiled alphabetically as to street and numerically as to house number, the following directory shows all householders or heads of families on each street.

MR. SUBSCRIBER—Do not overlook the value of this feature of the Directory. Use it for Mailing—Delivering—Collecting—Phoning.

DO YOU KNOW that the nearest telephone to anyone in the Directory can be located through this feature? Very often the person you seek can be reached by a telephone listed in the Telephone Book under the name of another person residing in the same home. For example: **MARY JONES** has no telephone, but her name appears in the Directory residing at **400 K STREET**. In the Residence Directory **400 K STREET** shows **JOHN SMITH** as the householder—neighbors on either side and across the street also are shown. They may have telephones.

(For mail address of Hillsborough residents see this section of directory)

(For names of Millbrae residents see last section of the directory)
