# Mustang Football

## Year in Review

Coach Earl Klapstein and his assistant Don Hall brought their Mustang gridders through a highly successful season, winning eight and losing only two. In the league opener Sacramento JC was nudged 7 to 6 by virtue of Ed Mendonca's successful conversion. However the victory was costly as Ken Ferrill, a promising backfield man, suffered a broken arm which disabled the UCLA transfer for the season . . . Cecil Harp's drive following a blocked punt by Joe Roberts gave the Mustangs their second loop win over San Mateo, 18 to 13 . . . The Klapstangs made it three in a row with a 33 to 7 routing of Hartnell, but ran into a brick wall as Modesto set them back 7 to 6 before 6000 Baxter Stadium spectators. For this game Mike Heraty, Roy Banducci, and Connie Aguilar, all first stringers, were on the injury list . . . Monterey held the 'Tangs scoreless in a 14-0 decision . . . Phil Flock and Jack Fiori led the onslaught against Menlo 12 to 6 while Roger Gartland pushed across three TD's in Stockton's 31-7 mud-filled triumph over CCSF . . . The Mustangs copped second place in the NCJCC Southern Division. Their schedule for the 1950 season also included non-league victories over Placer, 34 to 0; Vallejo, 34 to 0; and Fresno, 37 to 14 in the Homecoming Game. Cecil Harp, top Mustang scorer, rolled up three touchdowns in this game.

## Season Review

Assisted by Adolph Szyper and former COP players, Don Brown and Joe Rihn, Coach Rich Hacker brought the Colt gridgers through an unusual season with a record of five wins, five losses, and a sixth place in Sac-Joaquin Conference standings. Manteca upset the apple cart and the Colts, 7 to 6, in a penalty-filled opener for both schools . . . Then the Colts surprisingly knocked over Vallejo and an eleven game win streak, 12 to 7, as George Graham and Wally Gibson each tallied . . . Similar feats over Serra of San Mateo, 27 to 0, and Grant Union, 20 to 0, brought prestige to the Colts . . . But Sacramento broke the winning streak, 26 to 6, as Don Jose pushed across the only TD for the locals . . . Although Dick Garibaldi supplied the spark the Hackerites were unable to catch fire as Turlock took the upper hand in a 13 to 0 win which followed a loss the previous week to McClatchy, 20 to 15 . . . The Colts were able to regain their balance with a major upset over Woodland, 20 to 13, but were toppled by Modesto, 24 to 18, despite Hacker's gridmen monopolizing the statistics . . . On a slushy Grape Bowl turf the SC Colts wrote finis to the 1950 season with a 7 to 0 defeat at the hands of their arch rival, Lodi.
