Up and Over! . . .

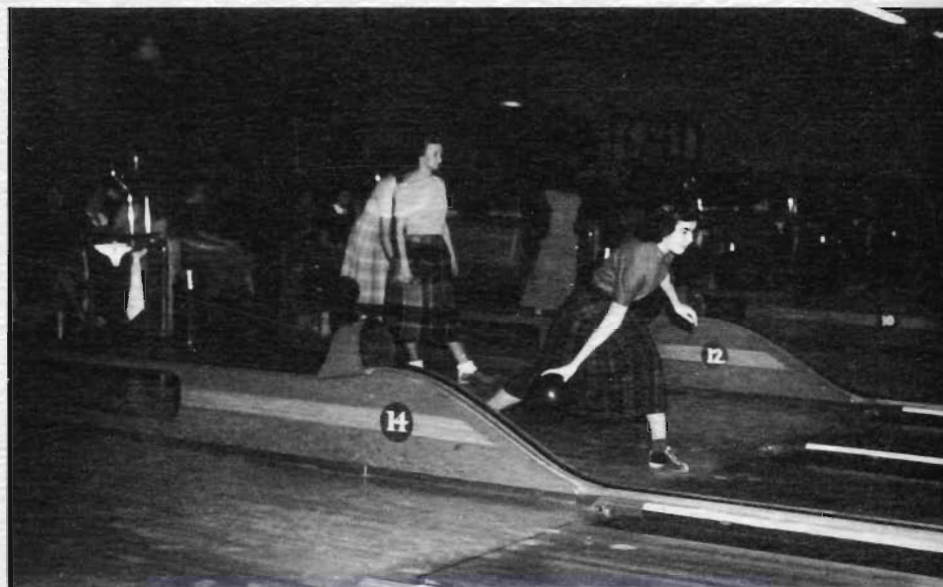

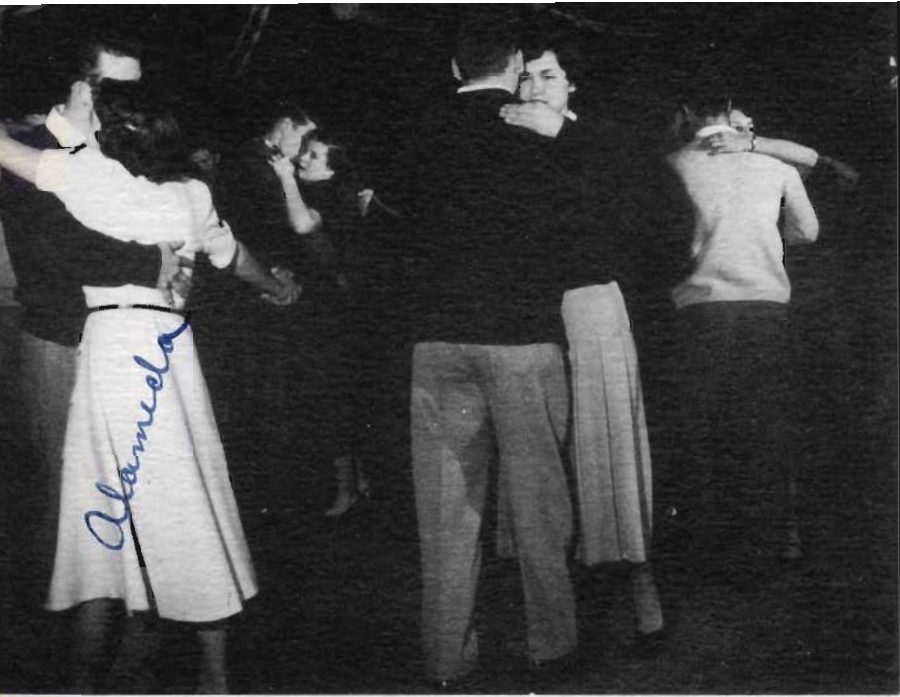

Sports Banquet . . .

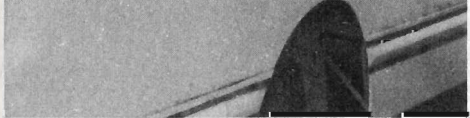

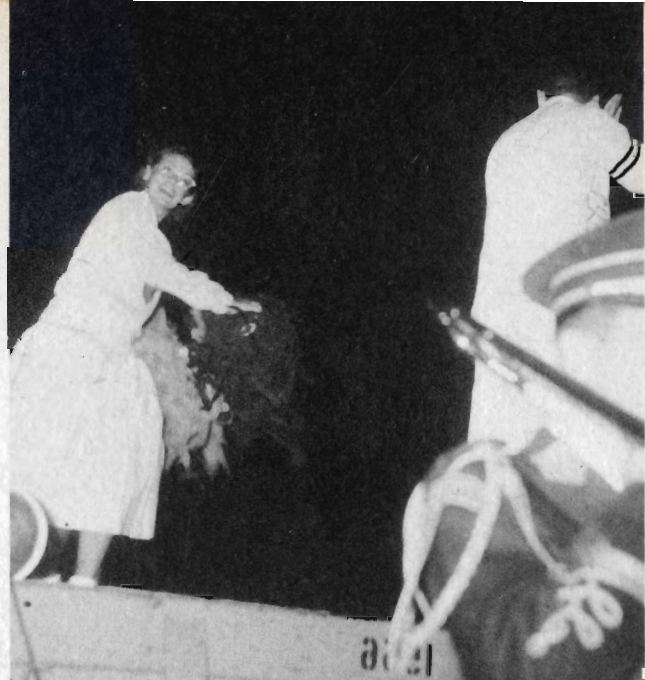

Dear Claire,
 may we be the
 friends that we are
 now! It seems we are
 because just a year ago
 we hardly knew each other,
 but now... well you know
 what I mean! I hope we'll
 always be able to understand each
 other!
 Love, Jill
 P.S. Don't forget to
 write to me this Summer!

Dear Claire:
 When I first saw you at
 Lake Tahoe (Silver Lake really)
 you made one of the biggest
 impressions on me a girl
 ever made - that prom
 something - never want
 about you look - little you
 little you looks to
 improve them
 Love
 Jill

Dear Claire,
 Remember all
 the times we had
 lunch together. It was
 fun even tho I was
 worrying about sitting
 hope to see you more
 you next year.
 Suzie Loren

The best of luck
 to a cute girl.
