Toeing the mark for a practice lap are Hayward West, Ron Pecchenino, and Julius Martin.

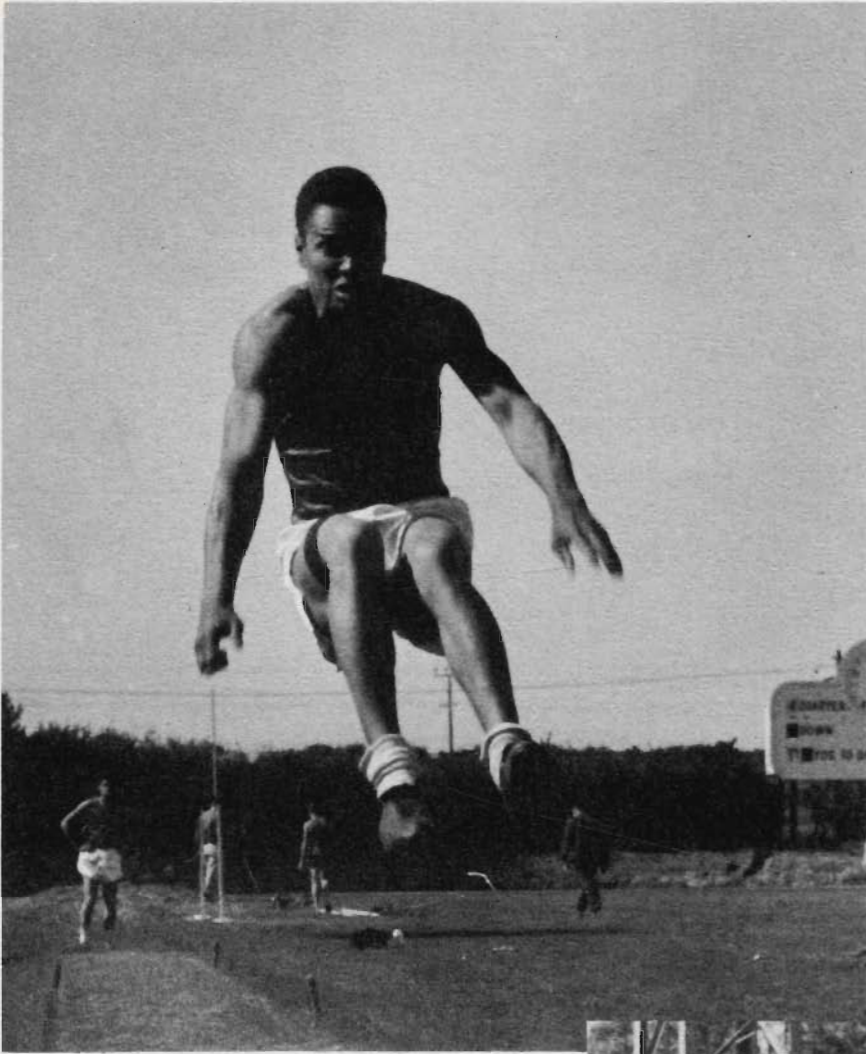

Set back by a shortage of manpower because of players joining the armed forces and other drop-outs, coach Carl Peregoy strived to put forth a fourteen-man squad for the Mustang track team. Included in this squad were two competitors who are playing with the Mustang baseball team. As the team shaped up, Coach Peregoy fielded cinderman Bob Acoba, Richard Brown, Dale Clipper, Jack Coey, David Gibson, Phil Huff, Vincent Indelicato, Jeff Mann, Julius Martin, Richard Perry, and Hayward West. Ronald Braden and James Mc-

Mahon also performed for the 'Tang track squad when they could be relieved of their services for the baseball team. Lack of an adequate practice field also hampered this year's aggregation.

The Mustangs met San Francisco, Sacramento, Santa Rosa, and Modesto of the Big 7 Conference and then competed in the West Coast and California Relays. The finale for the season was at the State Meet at Santa Rosa.
