

**fourteenth year
graduates**

Dear Class:
It's really been
a swell having you
in Hygiene and Gym
this year. It's seemed like
such a long time, but now
that it's over I sort of wish
it wasn't. Always stay so sweet
as you are and you'll never
out friends. Barbara

We are the generation facing an indefinite future bearing with us the memory of words. The words are strong, their meanings basic. Words that gauge the spirit and expand the vision . . . tools of thought to build a lifetime . . .
