Dr. Julio Bortolazzo
President of Stockton College

In his first year at Stockton College Dr. Bortolazzo has ruled with a big smile and a kind heart policy which has proven very effective. He has shown his numerous abilities and has developed the blueprints for the structure known as the "new Stockton College." Using the students as building materials he has put new life in our campus---creating school spirit. Using good natured discipline Dr. Bortolazzo pulled Stockton College away from the death it was fast approaching and organized it into the Stockton College we now look at with pride. He is the top man whether at home or on the campus---respected as a leader and loved as a friend.
