 Ted, Camote

The theme for the year was set by the president of Stockton College, Dr. Julio Bortolazzo, during the first rally as he opened his address with the memorable statement, "This is the year!"

This thought has repeated itself innumerable times with such events as the opening of the new Library and Agriculture buildings. The erection of a million dollar classroom and cafeteria building was also begun.

As we look into the future we wonder about the success, temptations, failures, promises, pitfalls, and laughter ahead. And as we reminisce, indeed, let us recall that ---this was the year!

Claire,  
 Best of Luck, if  
 you go thru life as you  
 did in the  
 "P. Cat" year  
 you'll  
 go far. Well,  
 I'll
