

Mustang Water Polo

One of SC's outstanding mermen, Brent Heisinger, No. 27, churned for the ball.

Bob Norris, No. 34, prepared to make a shot in a game against the Olympic Club Reserves. SC poured in fourteen goals to Reserve's four.

Starting the season with a green squad, Coach Anttila's team ended the season with a 6 win - 2 loss record for league play to finish in second place.

Brent Heisinger was selected as the most valuable player and Jim Allman the most improved player.

Coaching the Cross Country team this past season proved to be a rewarding one for Don Evans. Evans, by the way, did all the coaching on his own time. Winning their three meets gave proof of the effort expended by the squad.

In the large Sac-Joaquin League Conference meet held at El Camino High School in Sacramento, the team placed fourth. An excellent showing was made by Abe Karim and Garry Sullivan.

The stop watch told the story.

Mustang Swimming

Coach Bill Anttila welcomed most of last year's outstanding Colt swimmers to his 'Tang team. Despite the loss of his top breastroker, Anttila worked his mermen into the Northern California championship for the ninth time in ten seasons. Walt Patterson and Brent Heisinger provided much of the season's excitement by winning several of their races by "touch-outs." Also contributing to the highly successful season were Don "Smitty" Smith, the squad's outstanding swimmer, and such 'Tangs as Norm Borth and Bob McLoughlin.

Colt Swimming

The 1955 Colt splashers swam over most of their competition for a good season. The team was a fairly green one due to graduation of many top swimmers last year, but the outstanding ability of Keith Davis and Bob Bennitt kept the team on the winning side of the ledger most of the time.

Off to a good start!

Mustang Baseball

The strong pitching trio of Neil Nostrand, John Schmidt, and George Moton enabled the Mustang horsehiders to win a majority of their games. Coach Don Hall had his "ole" reliables, Jack Cheney, Don Freed, Charlie Gritts, Don Stevens, Schmidt and Moton back from the '54 Colts; he had standouts Alex Leos, Neil Nostrand, Ron Miller, "Itch" Horton, and Phil Smith. This well-knit, smooth playing unit provided the fans with many fast, hard fought, hard won games, and lived up to Coach Hall's expectations.

What goes up must come down --- and the Porterville man came down --- before Sam Behic could make first base.

Strike one! Donnie Freed swung hard but didn't connect.

"I call 'em as I see 'em."

The Stockton College Colts started out the season by winning all of the practice games, but losing their first few league games. It was Coach Carl Peregoy's trying job to get the Colt's out of second and into high gear. Bob Leopold, Al Crandall, Dean Martin, and Ron Laughlin were only a few of the players who helped pull the team through many a tough game and into a well-played season.

Bet it was a homer!

Yer out!

"May I tie your shoe?"
It looked as though the Manteca man
was asking Colt Louis Lovotti this question
as Lovotti slid into first.

Don Miniaci gleefully rounded first base after banging out his first hit of the season in league play.

Ron Laughlin moved his foot to tag the sack one step ahead of the Tracy runner. Jim Devincenzi is the pitcher in the background.

Bob Mingram, No. 1, and Pete Catlett, to his left, welcomed home run hitter Ron Laughlin as he completed his tour of the bases.
