

Mustang Tennis

The SC Mustangs had only a fair season this year with a 3 win - 6 loss record. However, the Tangs were sparked by excellent individual playing by several members of the team.

L to R: Charles Pereze, George Reyes, Tom Means, Gabriel Elmidolan, Ted Katzakian, Ron Brown, Bill Burrows.

Mustang Golf

Taking the reins as coach of the Mustangs and Colt golf teams this past season was Coach Gene Stagnaro, formerly a professional golf instructor. Under his able leadership the Tangs were able to live up to their brilliant pre-season expectations. Burgess Windsor, Bob Moffatt, and Ken Hultgreen all shot in the high 10's proving to be the top notch Tang golfers.

With the graduation of the complete '55 Colt linksters, a dismal season seemed insured for the '56 Colts. However, hard work, practice, and superb coaching gave the team a good season. Consistent low scorers for the Colts were Tim Coats, Darryl Erlandson, and Pierce Morris.

Under the able leadership of Coach Frank Boyle, Mustang Track engaged the best turnout in its history. The Tangs, though a small team, were able to give a good account of themselves in their meets. Stockton was hampered by lack of distance runners, but by concentrating on other events, especially sprints and hurdles, the Tangs were able to overcome this difficulty.

Clyde Williams, Henry Coldani, and Bert Johnson lead the way for the Colts in the 160 low hurdles against the Downey Knights.

Colt Track

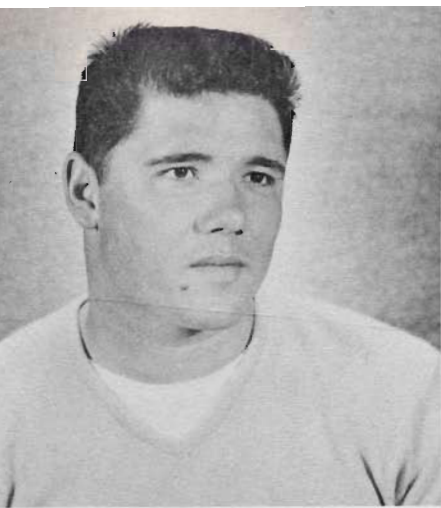

With most of his '55 sectional championship team returning to the squad and with outstanding performers up from the lower schools, Coach Bill Gott's '56 track squad was rated one of the finest in California. Records were rewritten in nearly every event for the Colts. Ranked as one of the tops in the state in the 440-yard run was the Colts' top man, Gary Sullivan. Sullivan also anchored the relay team, which set a new school record of 1:30:7. Bob Purify, Eddie Torres and Leon Moore formed the rest of the relay team, and scored many valuable points in the dashes for the Colts. High-jumper Wilson Johnson shattered the high jump record as he cleared the bar at 6' 3". With more strength lying in the hurdles and distances, the Colts were superior to every team that crossed their path.

Women's Sports

The Women's Sports Association, better known as W.S.A., was enrolled to capacity this year. Regular advisers Irene Harris and Marcile Miller enlisted the aid of Bobbye Hardin to handle the increased membership and activities. W.S.A. girls enrolled for their physical education in this group rather than take their regular gym class work.

W.S.A. girls participated in a wide variety of sports: basketball, dancing, tennis, archery, hockey, speed-a-way, softball, volleyball, and swimming. A wide choice of sports was offered to enable more girls to participate.

"Play Days" were split into high school and college divisions. The association hosted a "Play Day" November 19 for speed-a-way and dancing in which other schools sent their girl athletes to com-

pete. The Stockton girls also took part in several "Play Days" at other schools in the area.

Nikki Nostrand acted as president for the 1955-56 school year. She led the girls through a very active season in which the W.S.A. took part in Club Day, Homecoming, Fun Fest and several other non-titled events on campus as well as the "Play Days."

Each year the W.S.A. girls chose a member of their group to receive the Sportsmanship Plaque. The recipient doesn't need to qualify as a good athlete, but must have demonstrated the best possible good sportsmanship. The women's physical education teachers met to select a girl as "Outstanding Athlete." Their choice this year was Donna DeClue who was a W.S.A. member although this is not a requirement.
